The Book of Jerusha Scott McKenzie, Amber Weinacht, Brandon Pretz, 2014-12-14 Sometimes the greatest miracles are those not seen by many Sometimes the most powerful words are spoken in whispers Sometimes the wisest people are never heard Sometimes the most powerful agents of change are the simplest of people Sometimes someone special walks in our midst and we aren't even aware of it Sometime is now A lamb walks among us and when she speaks her words will echo with the sound of seven thunders One of the most powerful and soul stirring stories that

you will ever read Jerusha Bale will rock the world in her wake Who is Jerusha Bale Some will say she is a savior the Messiah returned in our time of greatest need Others will call her a prophet Some will say she s a demon Some will go as far as to proclaim that she is an angel from on high or even God on earth Yet most will agree that just by her presence she will change the course of history in the years to come Who is Jerusha Bale Jerusha Bale is a simple woman with a miraculous gift that will eventually draw the intense interest and the ire of the holiest members of every religion on earth and rock the highest echelons of government She is a lightning rod that has come to speak the truth no matter the cost or the consequences Will the world listen or will the world destroy her Join the journey and discover the ripples that will remake a world *The Washingtons. Volume 5, Part 1* Justin Glenn,2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington s descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets

that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain

Joseph Smith's Polygamy, Volume 3: Theology Brian C. Hales,2013-02-26 Americans of Joseph Smith s day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3 21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith s lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith s theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young s Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith s lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God s will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural

marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s
