Morrice,2020-08-20 A heavy burden of despair weighed down the world into which Jesus was born But his advent brought a conquering newborn joy which finds expression in Christian experience and theology From beginning to end says William Morrice in this book the message of the New Testament is one of joy for it declares the good news of the Christian gospel Morrice here focuses on the various words used in the New Testament to express the joy that comes from belief in the Good News of Jesus Christ He shows how the New Testament contains a rich profusion of words reflecting aspects of Christian joy In addition he examines the distinctive contribution made by each writer and within each group of New Testament books Today writes A M Hunter in his Foreword when we live in a modern world where men s hearts again fail them for fear of what may be in store for mankind Dr Morrice s book is a rousing recall of that radiant optimism which began with the coming of Christ and which fills the pages of the New Testament Journey to Joy David Ray Gutierrez,2010-11-22 There are many people who claim they are devout Christians but when asked what it means to be a Christian they cannot give a clear and direct answer Some of them live their lives contradictory to their beliefs and to the teachings of God These and many other instances lead them nowhere but to a dead end But which is the right path to joyous Christian living In his new revealing book author David Ray Gutierrez takes readers on a Journey to Joy by living the Christian life according to the Word of God explained by the Epistle of Paul to the Philippians Divided into four major components Journey to Joy provides an in depth explanation of the messages that the Book of Philippians tries to convey to every Christian believer These four components which are described as important journeys The Journey of Conduct The Journey of Character The Journey of Consequence and The Journey of Influence represent the four chapters of the book that are simplified and refined to give readers a better understanding of the Word of God Supported by personal experiences and spiritual insights this book will help anyone define the meaning of Christianity discover the secret to living a joyful Christian life and develop a closer relationship with God Drawing Near John MacArthur,2002-02-28 Like newborn babes long for the pure milk of the word that by it you may grow in respect to salvation 1 Peter 2 2 It s a fact of life our health declines if we

don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction, "Our entertainment-conscious quick-fix fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining; it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in. If you desire greater understanding of the precious Word of God, if you want a daily guide to draw you closer to the Lord, this outstanding collection of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you."
