The Bound Beast Beastly Captive English Edition:

The Power of Beauty S. R. Jaye, 2023-09-15 Experience a world of dark enchanted forests cursed beasts light and dark magic forbidden love palace intrigue and the age old battle of good and evil as winter's shadow threatens to consume the mortal and fae realms Maisie Beasts come in many forms some strikingly beautiful others dangerously cruel And some wear crowns Rescued from the Fairy Queen's clutches I should have found safety in the Mortal Realm Instead I've been thrust into the ruthless world of courtly intrigue where my magical beauty is both my source of power and my curse As the High King's selectress his intended queen I have disrupted his carefully laid plans for himself and his kingdom He is not pleased But something inside me tempts him something wild something dangerous something the High King fears Dark forces stir within the palace walls The Fairy Queen will stop at nothing to see me dead Shadows creep closer whispering secrets and lies My magic is muted in this foreign land and Prince Rylan the man I once trusted and still love succumbs further to the monstrous curse laid upon him Worse still the treacherous ring upon my finger hums with a darkness I don't understand and may not be able to resist In a realm where beauty holds the power to ruin or reign I am the greatest threat of all And if I am not careful I will be the next to fall

Mrs. Tatterbaum Re'Dina L. Frazier, 2020-09-04 Mrs Tatterbaum is a provocative tale of mystery mayhem and murder An epic novel so skillfully stitched together that it leaves the mind questioning reality The story of Desiree Blakeney Tatterbaum is about a wealthy heiress from Paris France who fell victim to circumstances beyond her control One night after going to be by her ill lover's side she falls prey to a nefarious plan that changes the entire course of her life A diabolical scheme that leaves her cursed for all eternity Now she's forced to live life as a Lycan A Were wife to one of the most powerful Lycans in the world There is a fork in the road where the mind chooses which direction it will take based on its own psychological comfort Do I veer to the left or to the right This is a question we all have asked ourselves when reaching the crossroads of our life Truth is no matter the path taken our perceptions become our reality As we move about in our lives we venture into the unknown grasping ahold of anything that looks familiar This is the thing that makes life worth living not knowing the exactness of a thing When presented with that thing one perceives to be reality the mind can and most assuredly will play mental tricks on you Example space colors shapes etc as to emphasize their corresponding features to the actual or ordinary visual experience We believe to the depth of what our individual minds can obtain denialism is a person's choice to deny reality as a way to avoid a psychologically uncomfortable truth Truth isn't always measured in reality Sometimes it's found in the unbelievable
