The Broken Christmas Tree:

The Broken Christmas Tree Elvin Brandt, 2020-01-22 The story of The Broken Christmas Tree is all about one lonely tree on a tree farm in Pennsylvania which no one cares for or picks for their home at advent time Unfortunate things happen as time goes on meaning several years and after a time the tree believes it will never help celebrate the true meaning of Christmas Now although we don't believe trees have feelings and understand that the people who reject it year after year really mean no bad intentions the lesson to be taught is that people do feel hurt emotionally when they are passed by for all kinds of reasons After many years of working with children having special needs and most of all emotional issues the author writes this tale with the understanding that adults in the lives of all our children can use it as a stepping stone to teach about bullying and self esteem The positive emphasis is that none of us know the plan for our life in totality and there is always a special reason God has for each of us So will the tree fully understand why it was left behind and what the rest of its life was going to be Read the story and enjoy His coming to earth for us this season [The Broken Christmas Tree](#) D.

THE BROKEN TREE Anita Venes, 2019-12-17 As she was growing up Anita Venes forgot many things about her origins who she was where everybody else was why she had a strange name which people kept changing She worked hard to forget about the past avoiding questions about her parents and other family members who had all disappeared This was often the case for an abandoned child growing up in the care system in the 1940s It was best to focus on the future when you might have some control over events Fostering experiences can be good for Anita they were not This is her story a story of survival and inspiring courage to overcome the traumas of her abusive childhood She chose to work with severely disabled children and that developed into her passion for over 40 years eventually achieving the rewarding role of headteacher of a new school The memorable stories of those years feature in The Broken Tree and Anita also goes into detail about her search for her long lost family members and the impact each made upon her life This includes the journey of finding her brother an internationally famous clown and mime artist known as Potts His story is still to be told Tragic at times her tale is ultimately uplifting and inspirational for all those who struggle in life to overcome the hand they've been dealt **Broken Christmas:**
