LIVES of the Holy Glorious and every where Celebrated APOSTLES L. V. Filimonova, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> Election of the Twelve Apostles After the Baptism from John in the Jordan River the Lord Jesus Christ began to preach His Divine teaching performing countless miracles and healing all kinds of diseases see Matthew 4 23 Many people from all over the country of Judea began to flock to listen to His wondrous doctrine and ask for the healing of their ailments see Luke 6 17 18 These listeners for the most part soon left Heavenly Teacher and returned to their worldly pursuits However some accompanied the Savior almost everywhere and were already called His disciples see John 3 22 4 1 But even they were not all far from everyday interests and not all were equally capable of perceiving Divine truths Meanwhile Christ had to come forward decisively and openly to His glorious service to the human race and He was pleased to separate from among the disciples several chosen worthy ones Seeing the spiritual purity of some the Lord even earlier called them apart to follow Him as if to test their readiness Now seeing this readiness of them He set out to lay the foundation for their closest alliance with Him And then one evening the Lord retires to a secluded mountain for prayer The Divine Prayer Book spent the whole night in prayer see Luke 6 12 Who knows what the Lord's prayer hugged at this time Maybe the Son of Man asked His Heavenly Father to be strengthened for the coming deed maybe He called the blessing of the Father to Himself to His great work and to the chosen disciples in their service to this work It is morning Fortified by night prayer the Lord calls to Him on a mountain of His disciples and here in the midst of solemn morning silence far from worldly noise he selects twelve of them Here are their names Simon Peter and Andrew his brother James and John the sons of Zebedee Philip and Bartholomew Matthew and Thomas James Alfeyev and Simon Zealot Judas Jacob and Judas Iscariot who later betrayed Christ see Luke 6 14 16 cf Mark 3 16 19 All these were for the most part people simple poorly educated poor Galilean fishermen The Lord chose them as those who proved their love and affection for Him trusting as children not infected by the dreams of false enlightenment He himself provided them with education and taught them not only by word

but also by deed alone before the people in the house and on the way on land and at sea The Lord revealed to them the secrets of His Kingdom and often explained His teachings separately from the people see Mark 4 34 Matthew 13 36 He gradually erased their prejudices brought from Jewish teachings tempered their heart movements and brought them into harmony with their responsibilities The Lord cleansed and enlightened their mind and heart preparing them for the complete outpouring of the Spirit of truth and sanctification in them They were constantly with Him see Mark 3 14 accompanied Him everywhere were His constant companions and interlocutors listened to His teachings witnessed His life and work His miracles His suffering death resurrection and ascension to heaven and then they themselves had to testify that they saw heard felt At first they were in relation to the Lord as disciples at the end of His earthly career He already called them friends see Jn 15 14 15 as those from whom He did not hide anything finally after His resurrection he called them brothers see John 20 17 as the closest beings to Himself By the nature of their ministry they were called by the Lord Himself the apostles see Luke 6 13 i e messengers Twice Christ the Savior sent them to preach At first giving them the power to work miracles he sent them two in front of His only to the lost sheep of the house of Israel see Matt 10 6 onwards Mk 6 7 onwards Then after death and glorious resurrection he sent them to preach the gospel to all creatures see Mk 16 15 to teach all nations baptizing them in the name of the Father and the Son and the Holy Spirit see Mt 28 19 The number of 12 apostles violated by the fall of Judah soon after the ascension of Christ was filled up by the election by lot of Matthew see Acts 1 20 23 26 On the day of Pentecost the apostles received the Holy Spirit descending in the form of tongues of fire and resting on them with His grace see Acts 2 1 4 After the descent of the Holy Spirit by the direct calling of Christ and the illumination of the Holy Spirit Paul the great apostle of the Gentiles was added to the face of the 12 apostles see Rom 11 13 15 14 19 Fulfilling the command of the Lord the holy apostles after 12 years after the ascension of Christ who according to church tradition they were together in Jerusalem dispersed and everywhere preached the name of Christ see Acts 16 21 Mk 16 20 Their voice was heard all over the earth and their words spread to the edge of the universe see Rom 10 18

The Many Deaths of Peter and Paul David L. Eastman, 2019-05-02

The early accounts of one of the most famous scenes in Christian history the death of Peter do not present a single narrative of the events for they do not agree on why Peter requested to die in the precise way that he allegedly did Over time historians and theologians have tended to smooth over these rough edges creating the impression that the ancient sources all line up in a certain direction This impression however misrepresents the evidence The reason for Peter's inverted crucifixion

is not the only detail on which the sources diverge In fact such disagreement can be seen concerning nearly every major narrative point in the martyrdom accounts of Peter and Paul The Many Deaths of Peter and Paul shows that the process of smoothing over differences in order to create a master narrative about the deaths of Peter and Paul has distorted the evidence This process of distortion not only blinds us to differences in perspective among the various authors but also discourages us from digging deeper into the contexts of those authors to explore why they told the stories of the apostolic deaths differently in their contexts David L Eastman demonstrates that there was never a single unopposed narrative about the deaths of Peter and Paul Instead stories were products of social memory told and re told in order to serve the purposes of their authors and their communities The history of the writing of the many deaths of Peter and Paul is one of contextualized variety

An Apostle of the North H.A. Cody,2002-11-30 H A Cody s An Apostle of the North originally published in 1908 captures perfectly the zeal of the 19th century missionary and tells the story of a man called to do God s work in the Diocese of Athabasca in the most northern regions of Canada Bishop William Carpenter Bompas was a difficult man cantankerous stubborn and more than a little eccentric He carried on his shoulders the deep spirituality of his own faith the assumptions of his background and the cultural aggressiveness of the Victorian age He was a church leader who often disagreed with his church and ignored its advice Bompas s life in the North offers insights into the compelling force of religion and faith one of the most pervasive forces in human experience capable of transforming people creating
