The Capitalism Papers:

The Capitalism Papers Jerry Mander, 2013-05-01 In the vein of his bestseller *Four Arguments for the Elimination of Television* nationally recognized social critic Jerry Mander researches, discusses and exposes the momentous and unsolvable environmental and social problem of capitalism. Mander argues that capitalism is no longer a viable system. What may have worked in 1900 is calamitous in 2010. Capitalism, utterly dependent on never-ending economic growth, is an impossible absurdity on a finite planet with limited resources. Climate change, together with global food, water, and resource shortages, are only the start. Mander draws attention to capitalism's obsessive need to dominate and undermine democracy, as well as to diminish social and economic equity. Designed to operate free of morality, the system promotes permanent war as a key economic strategy. Worst of all, the problems of capitalism are intrinsic to the form. Many organizations are already anticipating the breakdown of the system and are working to define new hierarchies of democratic values that respect the carrying capacities of the planet.

The Papers of Martin Luther King, Jr., Volume VI Martin Luther King Jr., 2023-11-15 Dedicated to documenting the life of America's best-known advocate for peace and justice, *The Papers of Martin Luther King Jr.* breaks the chronology of its series to present King's never-before-published sermon file. In 1997, Mrs. Coretta Scott King granted the King Papers Project permission to examine papers kept in boxes in the basement of the King's home. The most significant finding was a battered cardboard box that held more than two hundred folders containing documents King used to prepare his celebrated sermons. This private collection that King kept in his study sheds considerable light on the theology and preaching preparation of one of the most noted orators of the modern era. These illuminating papers reveal that King's concern about poverty, human rights, and social justice was clearly present in his earliest handwritten sermons, which conveyed a message of faith, hope, and love for the dispossessed. His enduring message can be charted through his years as a seminary student, as pastor of Dexter Avenue Baptist Church, as a leader of the Montgomery bus boycott, and ultimately as an internationally renowned proponent of human rights who saw himself mainly as a preacher and advocate of the social gospel. Ten of the original and unedited sermons King submitted for publication in
