Michael R. Frontani

The Beatles Anthology By The Beatles Chronicle October 22 :

George Harrison: Behind The Locked Door Graeme Thomson, 2013-09-17 Behind The Locked Door is Graeme Thomson's rich insightful account of George Harrison's extraordinary life and career. This Omnibus Enhanced digital edition includes Spotify sections detailing Harrison's early influences, his contributions within The Beatles, and the best of his solo career. Additionally, an interactive Digital Timeline leads you through a collage of music videos and images displaying live performances, interviews, memorabilia, and more. As a Beatle, Harrison underwent a bewilderingly compressed early adulthood buffeted by unprecedented levels of fame and success from schoolboy to global superstar. Beatlemania offered remarkable experiences and opportunities, and yet dissatisfaction still gnawed within. His life became a quest for meaning and truth which travelled far beyond the parameters of his former band and his former self. This elegant in-depth biography tracks these changes and conflicts, marking the struggle of walking a spiritual path lined with temptation. Drawing on scores of interviews with close friends and collaborators, rigorous research, and critical insight, Behind The Locked Door is a fascinating account of an often misunderstood man. As well as an intimate character study, it offers a full analysis of Harrison's music from his earliest songs for the Beatles to his landmark solo album *All Things Must Pass*, his work with The Traveling Wilburys, and the posthumous *Brainwashed*. Behind The Locked Door provides the definitive account of a compelling, contradictory, and enlightening life.

Mods, Rockers, and the Music of the British Invasion James E. Perone, 2008-11-30 Musical floodgates were opened after the Beatles' first appearance on The Ed Sullivan Show on February 9, 1964. Suddenly, the U.S. record charts, radio, and television were overrun with British rock and pop musicians. Although this British Invasion was the first exposure many Americans had to popular music from the United Kingdom, British pop and more specifically British rock and roll had been developing since the middle of the 1950s. Author James Perone here chronicles the development of British rock from the 1950s imitators of Elvis Presley and other American rockabilly artists to the new blends of rockabilly, R & B, Motown, and electric blues that defined the British Invasion as we recognize it today. Die-hard fans of the Beatles, the Who, and the Kinks will all want a copy, as will anyone interested in the 1960s more generally. May 1964 saw major gang-style battles break out in British resort communities between the Mods and the Rockers. The tensions between the two groups had been developing for several years, with each group claiming their own sense of culture and style. The Mods wore designer clothing, rode Vespa motor scooters, and shared an affinity for black American soul music, while the Rockers favored powerful motorcycles, greased-back hair, and 1950s American rock and roll. It was within this context that the sounds of the British Invasion developed. Mods, Rockers, and the Music of the British Invasion chronicles the development of British rock through the iconic artists who inspired the movement, as well as through the bands who later found incredible success overseas. In addition to analyzing the music in the context of the British youth culture of the early 1960s, Perone analyzes the reasons that the British bands came to so thoroughly dominate the record charts and airwaves in the United States. The contributions of Cliff Richard, Billy Fury,

Johnny Kidd and the Pirates Tommy Steele the Tornados Tony Sheridan Blues Incorporated and others to the development of British rock and roll are examined as are the contributions and commercial and artistic impact of major British Invasion artists such as the Beatles the Rolling Stones the Dave Clark Five the Yardbirds Manfred Mann the Who the Kinks and others After investigating these groups and their influences upon one another Perone concludes by examining the commercial and stylistic impact British rock musicians had on the American music of the time *The Beatles Anthology* The Beatles, 2000-09 Includes primary source material in the form of photographs transcripts etc **The Beatles**, Tune In Mark Lewisohn, 2016-10-11 Now in paperback Tune In is the New York Times bestseller by the world's leading Beatles authority the first volume in a groundbreaking trilogy about the band that revolutionized music The Beatles have been in our lives for half a century and surely always will be Still somehow their music excites their influence resonates their fame sustains New generations find and love them and while many other great artists come and go the Beatles are beyond eclipse So who really were these people and just how did it all happen The Beatles story is everywhere Told wrong from early on rehashed in every possible way and routinely robbed of its context this is a phenomenon in urgent need of a bright new approach In his series All These Years Mark Lewisohn the world recognized Beatles historian presses the Refresh button to relate the entire story as it's never been told or known before Here is a full and accurate biography at last It is certain to become the lasting word Tune In is book one of three exploring and explaining a period that is by very definition lesser known the formative pre fame years the teenage years the Liverpool and Hamburg years in many ways the most absorbing and incredible period of them all The Beatles come together here in all their originality attitude style speed charisma appeal daring and honesty the tools with which they're about to reshape the world It's the Beatles in their own time an amazing story of the ultimate rock band a focused and colorful telling that builds and builds to leave four sharp lads from Liverpool on the very brink of a whole new kind of fame Using impeccable research and resources Tune In is a magisterial work an independent biography that combines energy clarity objectivity authority and insight The text is anti myth tight and commanding just like the Beatles themselves Here is the Beatles story as it really was Throw away what you think you know and start afresh **The Beatles** Michael R. Frontani, 2009-09-18 The Beatles Image and the Media charts the transformation of the Beatles from teen idols to leaders of the youth movement and powerful cultural agents Drawing upon American mainstream print media broadcasts albums films and videos the study covers the band's career in the United States Michael R Frontani explores how the Beatles media image evolved and how this transformation related to cultural and historical events Upon their arrival in the U S the Beatles wore sharply tailored suits and cast themselves as adorable accessible teen heartthrobs By the end of the decade they had absorbed the fashion and consciousness of the burgeoning counterculture and were using their interviews media events and music to comment on issues such as the Vietnam War drug culture and civil rights Frontani traces the steps that led to this change and comments on how the band's mantra of essential optimism never wavered despite the evolution of its

media profile *Fandom and The Beatles* Kenneth Womack,Kit O'Toole,2021-02-26 Fandom and the Beatles The Act You ve Known for All These Years offers an insightful look into the band s enduring appeal through fan responses exploring how The Beatles have inspired such loyalty and multigenerational popularity **Beatles For Sale** John Blaney,2008-05-05 Beatles For Sale presents a fresh look at the history of the most important group of the popular music era This is a story of naivety and greed inexperience and luck gullibility and ingenuity of the way The Beatles made and lost money and how virtually every group since has followed in their footsteps **Beatlemania** André Millard,2021-04-27 This look at how changes in the music industry made the Fab Four phenomenon possible presents a different interpretation of a much studied topic Essays in Economic and Business History In this unique study Andr Millard argues that despite the Beatles indisputable skill they would not have attained the same global recognition or been as influential without the convergence of significant developments in the way music was produced recorded sold and consumed As the Second Industrial Revolution hit full swing and baby boomers came of age the reel to reel recorder and other technological advances sped the evolution of the music business Musicians recording studios and record labels and music fans used and interacted with music making and playing technology in new ways Higher quality machines made listening to records and the radio an experience that one could easily share with others even if they weren t in the same physical space At the same time an increase in cross Atlantic commerce especially of entertainment products led to a freer exchange of ideas and styles of expression notably among the middle and lower classes in the U S and the UK At that point Millard argues the Beatles rode their remarkable musicianship and cultural savvy to an unprecedented bond with their fans and spawned Beatlemania Lively and insightful Beatlemania offers a deeper understanding the days of the Fab Four and the band s long term effects on the business and culture of pop music *The Mediated World* David T. Z. Mindich,2023-12-11 A full color interdisciplinary exploration of how media and mass communication shape society and how students can take control of their media futures Today s students have a world of knowledge at their fingertips and no longer need books to list names and dates What they need is the story of how everything fits together and the critical tools to take charge of their place within that story David T Z Mindich s *The Mediated World* charts the story of media as it has shaped human life and as it infuses every aspect of our modern existence Mindich s engaging narrative style focuses on concepts and real world contexts to promote the media literacy students need to understand their personal relationships with media Empowered as media consumers creators and curators students realize their responsibility to work within the vast world of media to create more positive and productive futures The second edition of this text brings historical media and overarching themes to life for students Each chapter opens with a contemporary vignette that meets students in the current moment before encouraging them to consider the past Application sidebars suggest practical activities that allow students to delve deeper into topics while Reflection boxes encourage students to think critically about their own media use With a strong emphasis on media literacy that treats students as media stakeholders who

have a vested interest in understanding its workings and effects Mindich's text is the perfect book for a generation of students looking to take charge of their futures in this mediated world New to the Second Edition New chapter opening vignettes connect with students in the current moment before welcoming them to consider the past New Chapter 8 Representation and the Lives that Matter in the Media encourages students to think critically about which people get to be heard and which are overlooked New Chapter 13 Hot and Cold Video Games critically explores a powerful media force in students' recreational lives Expanded discussions on current cultural political and technological references engaging with controversies Features Full color layout with photos and graphics to enrich students' reading experience Integrated focus on representation in media reminds students of the pervasive impact of bias across society Margin keyword definitions help students develop critical vocabularies Three different feature boxes Reflection Application and Now and Then reinforce concepts and engage students' critical thinking skills Chapter learning objectives chapter summaries and discussion questions reinforce historical frameworks and key concepts Access ancillary materials at <https://textbooks.rowman.com/mindich2e> For instructors a test bank lecture notes and slides and a sample syllabus For the students chapter flashcards a digital glossary and videos and links

A Women's History of the Beatles Christine Feldman-Barrett, 2021-01-28 Winner of the 2022 Open Publication Prize by the International Association for the Study of Popular Music IASPM ANZ A Women's History of the Beatles is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women Drawing on a mix of interviews archival research textual analysis and autoethnography this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women while also reexamining key influential female figures within the group's history Organized topically based on key themes important to the Beatles story each chapter uncovers the varied and multifaceted relationships women have had with the band whether face to face and intimately or parasocially through mediated popular culture Set within a socio historical context that charts changing gender norms since the early 1960s these narratives consider how the Beatles have affected women's lives across three generations Providing a fresh perspective of a well known tale this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades

In Tune Ben Wynne, 2014-10-06 Born into poverty in Mississippi at the close of the nineteenth century Charley Patton and Jimmie Rodgers established themselves among the most influential musicians of their era In Tune tells the story of the parallel careers of these two pioneering recording artists one white one black who moved beyond their humble origins to change the face of American music At a time when segregation formed impassable lines of demarcation in most areas of southern life music transcended racial boundaries Jimmie Rodgers and Charley Patton drew inspiration from musical traditions on both sides of the racial divide and their songs about hard lives raising hell and the hope of better days ahead spoke to white and black audiences alike Their music reflected the era in which they lived but evoked a range of

timeless human emotions As the invention of the phonograph disseminated traditional forms of music to a wider audience Jimmie Rodgers gained fame as the Father of Country Music while Patton s work eventually earned him the title King of the Delta Blues Patton and Rodgers both died young leaving behind a relatively small number of recordings Though neither remains well known to mainstream audiences the impact of their contributions echoes in the songs of today The first book to compare the careers of these two musicians *In Tune* is a vital addition to the history of American music Don Rickles Michael Seth Starr,2024-09-24 An entertaining hilarious biting biography of Mr Warmth the infamously prickly comic who dominated Hollywood and Las Vegas for decades making an artform out of heckling his friends family and especially his audiences and they couldn t get enough of it Having ridden a wave of success that lasted more than sixty years Don Rickles is best known as the insult comic who skewered presidents royalty celebrities and friends and fans alike But there was more to Mr Warmth than a devilish ear to ear grin and lightning fast put downs Rickles was a loving husband an adoring father who suffered a devastating loss and a loyal friend to the likes of Bob Newhart and Frank Sinatra Don was also a young student at the American Academy of Dramatic Arts and intended to become a serious actor But it was in small nightclubs where Rickles found success steamrolling hecklers honing his acerbic put downs and teaching the world to love being insulted Don Rickles *The Merchant of Venom* traces career from his rise in the 1950s to a late in life resurgence thanks to the Toy Story franchise his role in Scorsese s *Casino* and scores of TV appearances from Carson to Seth Meyers In the intervening decades Rickles conquered every medium including the stage where the Vegas legend was still performing at the age of eighty five In his highly memorable career he was idolized by a generation of younger comedians including Jerry Seinfeld Jay Leno and many others And all along Rickles performed in the shadow of a shocking open secret he was the nicest man in town *The Last Seat in the House* John Kane,2020-01-27 Known as the Father of Festival Sound Bill Hanley b 1937 made his indelible mark as a sound engineer at the 1969 Woodstock Music and Arts Fair Hanley is credited with creating the sound of Woodstock which literally made the massive festival possible Stories of his on the fly solutions resonate as legend among festivalgoers music lovers and sound engineers Since the 1950s his passion for audio has changed the way audiences listen to and technicians approach quality live concert sound John Kane examines Hanley s echoing impact on the entire field of sound engineering that crucial but often overlooked carrier wave of contemporary music Hanley s innovations founded the sound reinforcement industry and launched a new area of technology rich with clarity and intelligibility By the early seventies the post Woodstock festival mass gathering movement collapsed The music industry shifted and new sound companies surfaced After huge financial losses and facing stiff competition Hanley lost his hold on a business he helped create By studying both his history during the festivals and his independent business ventures Kane seeks to present an honest portrayal of Hanley and his acumen and contributions Since 2011 Kane conducted extensive research including over one hundred interviews with music legends from the production and performance side of the industry These carefully selected respondents witnessed

Hanley's expertise at various events and venues like Lyndon B Johnson's second inauguration the Newport Folk Jazz Festivals the Beatles final tour of 1966 the Fillmore East Madison Square Garden and more The Last Seat in the House will intrigue and inform anyone who cares about the modern music industry

The Oxford Handbook of Music Censorship Patricia Ann Hall, 2018 Addresses censorship as a worldwide issue from its earliest recorded form to the modern day Includes unique case studies of music censorship unfamiliar to Western audiences Documents censorship through a necessarily intersectional lens Oxford University Press

Speaking Words of Wisdom Michael McGowan, 2024-06-25 More popular than Jesus Despite the uproar it caused in America in 1966 John Lennon's famous assessment of the Beatles vis vis religion was not far off The Beatles did mean more to kids than the religions in which they were raised not only in America but everywhere in the world By all accounts the Beatles were the most significant musical group of the twentieth century Their albums sold in the hundreds of millions and the press was always eager to document their activities and perspectives And when fan appreciation morphed into worship Beatlemania took on religious significance Many young people around the world began to look to the Beatles their music their commentary their art for meaning in a turbulent decade Speaking Words of Wisdom is a deep dive into the Beatles relationship to religion through the lenses of philosophy cultural studies music history and religious studies Chapters explore topics such as religious life in Liverpool faith among individual band members why and how India entered the Beatles story fan worship deification and the Beatles long lasting legacy In the 1960s the Beatles facilitated a reevaluation of our deepest values The story of how the Beatles became modern day sages is an important case study for the ways in which consumers make culturally and religiously significant meaning from music people and events In addition to the editor the contributors to this book include David Bedford Kenneth Campbell John Covach Melissa Davis Anthony DeCurtis Mark Duffett Scott Freer Murray Leeder Sean MacLeod Grant Maxwell Christiane Meiser and Eyal Regev

Artificial Paradise Kevin Courrier, 2008-12-30 There is an epigram in this book from the Phil Ochs song Crucifixion about the Kennedy assassination that states I fear to contemplate that beneath the greatest love lies a hurricane of hate On February 11th 1963 the Beatles recorded There's a Place a dazzling unheralded tune which was included on their electrifying debut album Please Please Me This song firmly laid the foundation on which a huge utopian dream of the sixties would be built Within that dream however also lay the seeds of a darker vision that would emerge out of the very counterculture that the Beatles and their music helped create Thus even as their music attracted adoring fans it also enticed the murderous ambitions of Charles Manson and though the Beatles may have inspired others to form bands their own failed hopes ultimately led to their breakup The disillusionment with the sixties and the hopes associated with the group would many years later culminate in the assassination of John Lennon and the attempted slaying of George Harrison by deranged and obsessive fans In this incisive examination author Kevin Courrier *Dangerous Kitchen the Subversive World of Zappa* Randy Newman's *American Dreams* examines how the Fab Four through their astonishing music and comically rebellious personalities created the

promise of an inclusive culture built on the principles of pleasure and fulfillment By taking us through their richly inventive catalogue Courier illustrates how the Beatles' startling impact on popular culture built a bond with audiences that was so strong people today continue to either cling nostalgically to it or struggle and often struggle violently to escape its influence

The Music of George Harrison Thomas MacFarlane, 2019-04-08 George Harrison was one of the most prolific popular music composers of the late 20th century During his tenure with the Beatles he caught the wave of 1960s pop culture and began channeling its pervasive influence through his music Often described as The Invisible Singer his solo recordings reveal him to be an elusive yet essential element in the Beatles sound The discussion of George Harrison's Beatle tracks featured in the text employs a Songscape approach that blends accessible music analysis with an exploration of the virtual space created on the sound recording This approach is then used to explore Harrison's extensive catalog of solo works which due to their varied cultural sources seem increasingly like early examples of Global Pop In that sense the music of George Harrison may ultimately be viewed as an important locus for pan cultural influence in the 20th century making this book essential reading for those interested in the history of songwriting and recording as well as the cultural study of popular music The

Cambridge Companion to the Beatles Kenneth Womack, 2009-11-12 From Please Please Me to Abbey Road the fascinating story of the Fab Four's creation works and enduring musical legacy Yoko David Sheff, 2025-03-25 Illuminating and affectionate an intimate and perceptive portrait Publishers Weekly An intimate and revelatory biography of Yoko Ono from bestselling author of Beautiful Boy John Lennon once described Yoko Ono as the world's most famous unknown artist Everybody knows her name but no one knows what she does She has only been important to history insofar as she impacted Lennon Throughout her life Yoko has been a caricature curiosity and often a villain an inscrutable seductress manipulating con artist and caterwauling fraud The Lennon Beatles saga is one of the greatest stories ever told but Yoko's part has been missing hidden in the Beatles' formidable shadow further obscured by flagrant misogyny and racism This definitive biography of Yoko Ono's life will change that In this book Yoko Ono takes centre stage Yoko's life independent of Lennon was an amazing journey Yoko spans from her birth to wealthy parents in pre war Tokyo her harrowing experience as a child during the war her arrival in avant garde art scene in London Tokyo and New York City It delves into her groundbreaking art music feminism and activism We see how she coped under the most intense relentless and cynical microscope as she was falsely vilified for the most heinous cultural crime imaginable breaking up the greatest rock and roll band in history This book was nearly a half century in the making In 1980 David Sheff met Yoko and John when Sheff conducted an in depth interview with them just months before John's murder In the aftermath of the killing he and Yoko became close as she rebuilt her life survived threats and betrayals and went on to create groundbreaking art and music while campaigning for peace and other causes Drawing from his experiences and interviews with her her family closest friends collaborators and many others Sheff shows us Yoko's nine decades one of the most unlikely and remarkable lives ever lived Yoko is a harrowing moving propulsive

and vastly entertaining biography of a woman whose story has never been accurately told The book not only rehabilitates Yoko Ono s reputation but elevates it to iconic status

The Beatles Anthology By The Beatles Chronicle October 22 : Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Beatles Anthology By The Beatles Chronicle October 22 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
