Sisters, Seeds, and Cedars Fountain, Sarah M., History consists mainly of the milestones the turning points of time What are often lost in the fray are the details Thankfully for those who have a hunger for history books like Sisters Seeds and Cedars exist to fill in some of the gaps of history The book contains letters from two sisters Cornelia and Clara Originally from Alabama Clara moves on to Arkansas while Cornelia stays where her roots are Clara eventually puts down roots of her own and the sisters continue to converse through letter writing for their entire lives The letters span the generations and provide insight into everyday life between 1850 1928 Without them it might not be known that a dewlarkie is most likely a slang word of the period for a beau The letters also provide details of the effects of the Civil War on the citizens of the South As the sisters recover from the war they must adjust to their new lives filled with carpetbaggers and sharecroppers While it may be impossible to know all the details of history letters that have survived and have been preserved in a book like Sisters Seeds Cedars paint a more complete picture of events that have shaped the world and families alike Sarah Moseley Fountain is a native Arkansan dedicated to Arkansas literature history and culture She lives in Conway Arkansas **Without Justice** Carsen Taite, 2016-12-13 Hit woman and thief Reed Gable works for the highest bidder no matter where the job takes her An orphan of circumstance Reed knows the streets of Las Vegas better than anyone Growing up rough has gotten her to the top of her profession and she plans to stay there Accountant Brinley Myers a recent hire at the Moroccan Casino discovers a money laundering operation orchestrated by the New York mob and suddenly her life and the people in it become collateral damage Reed has Brinley in her sights and is ready to close the contract when she sees Brinley's son in the car with her Even hard hearted Reed can't kill a mother in front of her child Before Reed can come up with a plan to finish the job she's double crossed It'll take all her street smarts to keep herself and her surprisingly beautiful mark alive The Agent's Secret Past Debby Giusti, 2014-03-01 A military investigator is targeted by the killer who murdered her Amish family in this romantic suspense novel of faith in the face of danger Eight years ago a drifter destroyed Becca Miller's ties to her Amish community and murdered her family Now she's a special agent with Fort Rickman's criminal investigation department helping other victims seek justice Becca thought for a time that she had left her traumatic past behind her But now she's convinced that the killer who supposedly died years ago is very much alive and coming after her Special agent Colby Voss agrees to help
