West,2020-02-25 The seventh book in the epic fantasy House War series returns to a beloved world of magic and political intrigue where new threats are stirring Jewel ATerafin has never wanted to be a power What she truly wants she built in the streets of the poorer holdings To protect what she built to protect what she values above all else she has accepted that power is necessary But with power comes responsibility Jewel has forced herself to do what would have once been unthinkable She has surrendered her den kin Carver to the wilderness because she must if she is to have any hope of saving the rest of her family and the city in which they dwell But she cannot leave him with nothing Into his hands she has placed the single blue leaf that came from the wilderness and the dreaming combined She doesn t know what it does or what it was meant to do but

it is the most powerful item on her person and it is the only thing she can leave him That leaf however was created to serve a purpose that Jewel does not understand Nor does Carver who now possesses it With Ellerson by his side Carver intends to traverse the wild Winter in an attempt to reach home and the people who are waiting for him There are those who do understand the significance of Carver s gift and the disaster that will prevail if it remains in his hands But time is of the essence These lands are not unclaimed and the Lord of these lands is waking from his ancient slumber Nor is the Lord the only threat Firstborn demons and wild elementals are swirling around two mortal men in a storm that threatens to end the only chance the city of Averalaan has of surviving what is to follow The Cyber Christ Chronicles Billy Bruce Teague,2003

The battle is on The battle is for your life A battle that very few even know exists A man goes to sleep one night as he s done a thousand times before In a series of dreams he lays on an operating table as a bright light shines in his eyes Someone is performing surgery on him but for what purpose The final dream reveals that purpose God has installed a supernatural armor upon his body Upon awakening from the final dream he finds an envelope with his name on it Though he does not remember writing it it is in his handwriting He opens the envelope to find a letter written by God s hand The man has been asked to take his place as a Cyber Christ He will be a prayer warrior that will travel into people s minds to experience the attacks on their lives In the process he will be bringing the Word of God that delivers them Now the adventure begins

Seeds of Malice Christopher Lapides,2014-12-04 I will destroy you Druzeel realizes that his actions have opened another path one of evil and deceit but the path of righteousness still lies before him Choosing which one to follow is the difficult part but one thing is certain nothing will ever be the same A tiny seed of virtue still lies inside of him but as he travels through a city full of sin hatred and evil it gets harder to feel that goodness He knows it will take only the slightest push to fall into a hole of darkness so he clings tightly to that shining light But the pull of the gloom is strong and when a new figure enters his life and offers him power it may be impossible to resist With power comes fear and with that fear comes respect All he wanted was the respect of his peers and the trust of those he admired Is this new power enough to give him both Can it make him into the man he always wanted to be Or will it turn him into a monster The power is enchanting but it comes with a heavy price If he chooses to ignore those consequences then there may be no pulling him from a dark descent

The Merlin of St. Gilles' Well Ann Chamberlin,2000-11-04 In the bestselling tradition of The Mists of Avalon a powerful retelling of the legend of Joan of Arc For close to six hundred years the world has been fascinated by the true story of Joan of Arc The saga of her rise from obscurity to lead the armies of France followed by her tragic martyrdom has inspired many books plays and films Less well known is the fact that Joan s astounding destiny was predicted by ancient prophecies attributed to none other than Merlin himself Or that Joan later canonized by the Church as a saint may have been a practioner of an even older religion the ancient pagan ways that predated Christianity throughout Europe The Merlin of St Gilles Well is a stunning historical fantasy based on actual events that casts Joan and her times in a revealing new light
