The Brilliant Brush Strokes Of Autism Volume I:

The Brilliant Brush-Strokes of Autism Ryan W. Tracy, 2014-12-29 Ryan W Tracy hadn't said a word in almost forty years when his family discovered he's a remarkable artist and poet. He had been diagnosed with autism at age seven and lived in a world of his own until the day he picked up a paint brush which gave him the gift of words. Those words came out in a flood of art and poetry that celebrate landscapes, flowers, ribbons of color, valleys of hope and the power of love. His poems are just as remarkable as his artwork. In *The Wild Me* he celebrates his spirit writing "The wildness of my soul finds its grace in the most creative ventures. The singular blowing tree bends but never breaks. Autism seeks to break my wild spirit from within. I stand strong in hurricane force trials that place storms at my branches. I refuse the call to quit. Infused with wonder, talent and beauty, you'll be inspired to keep reaching for the heavens no matter what obstacles stand in the way with *The Brilliant Brush Strokes of Autism*." *Writers on the Spectrum* Julie Brown, 2009-12-15 Some of the world's most celebrated authors indicate signs of autism and AS. Through analysis of biographies, autobiographies, letters and diaries, Professor Julie Brown identifies literary talents who display characteristics of Autistic Spectrum Disorder (ASD) and uncovers the similarities in their writing that suggest atypical autistic brains.

Journey out of Darkness Roy E. Purcell, Patricia Lynne Miller PhD, 2017-12-11 Roy Purcell swims through the tumultuous ocean of his unconscious, moving back and forth between it and his conscious mind. Concepts emerge from unexplained depths as images which have become the basis for many of his paintings in his intriguing body of work. Raised in a loving Mormon family in rural Utah, Mr Purcell nevertheless suffered because of his Aspergers dysfunctional personality. Unable to make social connections, Mr Purcell retreats to nature and develops the sensitivity that will later open his unconscious. *Journey out of Darkness* is Mr Purcell's story of how he transcended his patriarchal heritage and Aspergers' damaging personality to find peace as an accomplished artist. Critical to his growth and peace is his third wife and soul mate, Beverly, and the desert where they live in Green Valley, Arizona. Furthermore, the autobiography is the universal archetypal quest with Mr Purcell as the hero who overcomes obstacles and slays the dragons of his troubled personality.

Love in the Moment Karen Chien, 2020-03-01 The inspiring story of how a courageous mother's dedication and unconditional love for her son, an artist on the autism spectrum, helped him become an internationally renowned artist and double medal swimming champion at the Special Olympics.

A Supplement to the Oxford English Dictionary R. W. Burchfield, 1972 These volumes replace the 1933 Supplement to the OED. The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary that is between 1884 when the first fascicle of the letter A was published and 1928 when the final section of the Dictionary appeared together with accessions to the English language in Britain and abroad from 1928 to the present day. Nearly all the material in the 1933 Supplement has been retained here though in revised form. Preface
