The Broken Window Threshold Series:

The Broken Window Christa J. Kinde, 2013-08-22 Jedrick can't say for sure if Prissie met the members of his Flight because she was in danger or if she's in danger because she knows them. Either way, she's being singled out by a cunning foe. While Prissie throws herself into the hustle and bustle of the holiday season, Koji takes his promise seriously and stays close by her side. Prissie can't wait to share her Christmas traditions with him. Including Ransom and Marcus in the festivities is harder to take. A new enemy turns out to be an old friend. A demonic horde boils up from the Deep. A light is sent into the darkness. Prissie's about to discover that some gifts are greater than others and some triumphs come at great price. **The**

Garden Gate Christa J. Kinde, 2014-01-28 The Pomeroy's pull together in the aftermath of the storm that shook West Edinton and Prissie's faith to its very foundations. Letting go proves difficult and holding on takes all of her courage. With the encouragement of a brother who's in on her secret, Prissie finds her feet. With the help of the bane who's now a brother, she takes a stand. As spring comes to the orchard, a cryptic remark from Abner hints at West Edinton's long kept secret. A beloved aunt returns from overseas. A faded angel takes up residence atop the Pomeroy's refrigerator. A treasured friend must say goodbye. While ranks of the Faithful rally to defend what's most precious, Prissie discovers that angels aren't the only ones who are Sent. **Wicked Wedding, Witches Anonymous Step 8 (Witches Anonymous Paranormal Romance Series)**

Misty Evans, 2021-09-29 Don't miss Lucifer and Amy's wedding in the eighth story in the bestselling Witches Anonymous series. Just when Amy thinks she has her life on track and that she can finally be happy, some witch shows up and wrecks her fairy tale. The witch in this case just happens to be Lucifer's mom putting the skids on Amy's wedding plans. With a baby on the way and the end of the world thanks to an angry archangel, a strong possibility Amy must overcome her worst fears and face down her future mother-in-law if she's going to keep her oath to remain magic-free and still get her happily ever after.

The Hidden Deep Christa J. Kinde, 2013-04-23 Homework, football, apple pies, and angels. Harvest time is in full swing when Prissie Pomeroy learns that something terrible happened in her family's orchard, making it hard to focus on school, especially when her best friends are distant and Ransom won't leave her alone. As she meets other angels, Prissie is drawn increasingly deeper into their world and closer to its dangers. A kidnapped apprentice suffers. A chained door bodes ill. A tiny angel makes a big difference. A battle line is drawn. Everything Prissie thought she knew is about to change again. He was trembling, which frightened Prissie even more than the pitch black. Crouching down, she made herself as small as possible against the tunnel wall. From somewhere in the darkness ahead came a sour note, off-key and unpleasant. She held her breath, listening with all her might. A dull clink was followed by a crunching sound that reminded Prissie uneasily of a barn cat eating a mouse. She cupped her hand around her little passenger and curled more tightly, hiding her face on her knees as her heart sent up a silent plea for help from The Hidden Deep. Praise for The Blue Door. A fantasy with a wholesome message and down on the farm twist. Kirkus **Angels in Harmony** Christa J. Kinde, 2013-12-03 An illustrated companion to the Threshold

Series by Christa Kinde Angels have always served in pairs but Baird is sure there must be some mistake when Kester shows up on his doorstep The vividly energetic redhead couldn't have been more different from his genteel new apprentice Yet their rocky beginnings give way to a unique balance proving that friendship can flourish in the unlikelyst of places given time trust and the Twelve Days of Christmas Includes a bonus first chapter from Book 3 in the Threshold series The Broken Window

Angels: A 90-Day Devotional about God's Messengers Christa J. Kinde, 2015-10-06 Guardian angels Divine messengers Fiery spirits Winged cherubim The realm where these beings live is invisible to us Most of the time so are the angels themselves So how do we know they're real How can we be sure they're there And what do we really know about them Angels a 90 Day Devotional about God's Messengers explores over one hundred Bible passages in which angels make an appearance In addition there are Q and A myths busters hymns Bible story retellings pop culture references and trivia that help you sort fact from fiction So spend the next ninety days really exploring the world of angels and learn more about what is taking place all around you

Formulations Andrew Witt, 2022-01-11 An investigation of mathematics as it was drawn encoded imagined and interpreted by architects on the eve of digitization in the mid twentieth century In *Formulations* Andrew Witt examines the visual methodological and cultural intersections between architecture and mathematics The linkages Witt explores involve not the mystic transcendence of numbers invoked throughout architectural history but rather architecture's encounters with a range of calculational systems techniques that architects inventively retooled for design Witt offers a catalog of mid twentieth century practices of mathematical drawing and calculation in design that preceded and anticipated digitization as well as an account of the formal compendia that became a cultural currency shared between modern mathematicians and modern architects Witt presents a series of extensively illustrated biographies of method episodes that chart the myriad ways in which mathematics particularly the mathematical notion of modeling and drawing was spliced into the creative practice of design These include early drawing machines that mechanized curvature the incorporation of geometric maquettes theorems made flesh into the toolbox of design the virtualization of buildings and landscapes through surveyed triangulation and photogrammetry formal and functional topology stereoscopic drawing the economic implications of cubic matrices and a strange synthesis of the technological mineral and biological crystallographic design Trained in both architecture and mathematics Witt uses mathematics as a lens through which to understand the relationship between architecture and a much broader set of sciences and visual techniques Through an intercultural exchange with other disciplines he argues architecture adapted not only the shapes and surfaces of mathematics but also its values and epistemic ideals

Dismantling the Dream Factory

Hester Baer, 2012-02 The history of postwar German cinema has most often been told as a story of failure a failure paradoxically epitomized by the remarkable popularity of film throughout the late 1940s and 1950s Through the analysis of 10 representative films Hester Baer reassesses this period looking in particular at how the attempt to dismantle the dream factory of Nazi entertainment cinema resulted in a new cinematic language which developed as a result of the changing audience demographic In an era when female viewers comprised 70 per cent of cinema audiences a women's cinema emerged which sought to appeal to female spectators through its genres star choices stories and formal conventions In addition to analyzing the formal language and narrative content of these films Baer uses a wide array of other sources to reconstruct the original context of their reception including promotional and publicity materials film programs censorship documents reviews and spreads in fan magazines This book presents a new take on an essential period which saw the rebirth of German cinema after its thorough delegitimization under the Nazi regime

A Treatise on Crimes and Misdemeanors William Oldnall Russell, 1877

Silent Death Ron Ripley, Scare Street, 2019-07-19 For Subject B death is only one scream away As war veteran Marcus Holt and the others struggle to escape Worthe's haunted village they find themselves stalked by a new enemy A paranoid psychotic this demented soul hears voices in her head and is convinced that people are talking about her Armed with her hatchet she is determined to murder everyone in the village to silence them all No matter how far they run this maniacal spirit is always one step behind them listening for the slightest sound But this deadly specter isn't the only foe they must face The sadistic Professor Worthe has set his eyes on one of the

subjects with orders to eliminate anyone who gets in the way Marcus must find a way to save him at all costs But he is exhausted battered having fought against the worst nightmares imaginable and suffering grievous injuries in every battle Death is coming for Subject B and his friends And this time he may be powerless to stop it Offences against property, public or private: Public nuisances and offences relating to trade. Procedure, appeal, costs, and rewards. Of evidence Sir William Oldnall Russell,1909 Collective Responsibility Gregory F. Mellema,2021-11-15 Groups of people are commonly said to be collectively responsible for what has happened Sometimes the groups claimed to be responsible are vast in size as when collective responsibility is ascribed to the class of all Americans or the class of all white males In this book the concept of collective responsibility is analyzed It is examined not only in the light of what philosophical proponents such as Cooper Held Bates French Swinburne and May have said about it but a genuine attempt is made to make sense of what ordinary people say about responsibility when it is ascribed to groups of people Accordingly it is distinguished from related concepts such as shared responsibility and moral taint Parallels are examined between the actions of an individual and the actions of a group or collective parallels which seem to make ascriptions of collective responsibility more plausible Some philosophers oppose collective responsibility and argue for an individualist type of position in this regard the positions of Lewis and Sverdlik are critically examined The final chapter contains the author's own position a position which affirms that collective responsibility is possible but which also preserves some of the central intuitions of the individualist **The New Urban Condition** Leandro Medrano,Luiz Recamán,Tom Avermaete,2021-04-07 This book explores new architectural and design perspectives on the contemporary urban condition While architects and urban designers have long maintained that their actions drawings and buildings are post critical this book seeks to expand the critical dimension of architecture and urbanism In a series of historical and theoretical studies this book examines how the materialities forms and practices of architecture and urban design can act as a critique towards the new urban condition It proposes not only new concepts and theories but also instruments of analysis and reflection to better understand the current counter hegemonic tendencies in both disciplinary strategies and appropriation tactics The diversely international selection of chapters from Brazil Portugal Spain Sweden the United States and the Netherlands combine different theoretical and empirical perspectives into a new analysis of the city and architecture Demonstrating the need for new critical urban and architectural thinking that engages with the challenges and processes of the contemporary urban condition this volume will be a thought provoking read for academics and students in architecture urban design geography political science and more **The Complete Works of Leo Tolstoy** Leo Tolstoy,2023-12-06 The Complete Works of Leo Tolstoy is an expansive collection that encapsulates the profound breadth of Tolstoy's literary genius Predominantly known for his epic novels such as War and Peace and Anna Karenina this compendium presents not only these classics but also a myriad of short stories essays and philosophical treatises Tolstoy's literary style characterized by its psychological depth and moral inquiry reflects a keen observation of human nature

intertwined with societal critique This collection allows readers to engage with the complexity of Tolstoy's thoughts on morality spirituality and existential angst all set against the backdrop of 19th century Russia marked by social upheaval and change Leo Tolstoy 1828 1910 a pivotal figure in world literature was profoundly influenced by his aristocratic upbringing and later existential crises leading him to explore themes of faith peace and the human condition His transformation from a privileged landowner to a passionate advocate for social reform fueled his desire to speak to universal truths This collection is a testament to his belief in the power of literature to provoke self reflection and enlightenment as he sought to bridge the gap between the wealthy and the peasantry in his works For readers seeking a deeper understanding of humanity through literature The Complete Works of Leo Tolstoy is indispensable It invites reflection on life's moral dilemmas offering timeless insights that resonate across cultures and eras Whether a seasoned Tolstoy aficionado or a newcomer to his work this collection serves as a comprehensive portal into the soul of one of literature's greatest thinkers
