The Bruisers English Edition:

Catalogue of Prints and Drawings in the British Museum British Museum. Department of Prints and Drawings,1883

The English Catalogue of Books Sampson Low,1926 Volumes for 1898 1968 include a directory of publishers *The Poetical Works of Robert Browning* Robert Inglesfield,2025-05-13 The English first edition of *Dramatis Personae* was published in May 1864 with the American first edition appearing hard on its heels in the following September This was the second of the two great collections of Robert Browning's middle years the first *Men and Women* having appeared nine years previously The new collection with its inspired general title which Browning seems to have hit upon only weeks before the publication of the English first edition was certainly an extraordinary imaginative and technical achievement the poems are remarkable for their modernity of subject matter and close psychological interest as well as their assertive individuality of conception An outstanding feature is the inventive handling of tone as for example in *Apparent Failure* Browning seems to have regarded the collection very much as a continuation and development of *Men and Women* with its varied contrasting dramatic lyrics and dramatic argumentative poems As in the earlier collection the great majority of the poems are essentially dramatic in conception
