The Canadian Torture Awareness Manual:

Research Handbook on Torture Malcolm D. Evans, Jens Modvig, 2020-12-25 This Research Handbook is of great importance in an era where torture whilst universally condemned remains endemic It explores the nature of the international prohibition of torture and the various means and mechanisms which have been put in place by the international community in an attempt to make that prohibition a reality

Omar Khadr, Oh Canada Janice Williamson, 2012-05-01 In 2002 a fifteen year old Canadian citizen was captured in Afghanistan for allegedly killing an American soldier A badly wounded Omar Khadr was transferred to the US Bagram Air Force base and then Guant namo Bay detention camp He would remain there without trial until October 2010 when a military commission admitted evidence considered tainted by Canadian courts A plea bargain and guilty plea initiated his promised return to Canada a year later Some Canadians see Khadr as a symbol of terrorism in action For others he is the victim of a jihadist father and Canadian complicity in the unjust excesses including torture of the US war on terror The youngest prisoner held at Guant namo and the only citizen of a Western country not repatriated Khadr was formally identified by the United Nations as a child soldier In *Omar Khadr Oh Canada* over thirty contributors analyze Khadr s background his incarceration the actions of Canadian authorities and the implications raised by his legal case This multi genre book includes essays articles poems a play extended excerpts from the documentary film *You Don t Like the Truth* and other texts produced by distinguished contributors such as Sherene Razack General Rom o Dallaire Charles Foran Kim Echlin Judith Thompson Audrey Macklin Shadia Drury George Elliott Clarke Maher Arar Rick Salutin and Sheema Khan While they sometimes disagree on issues such as radical Islam and Canadian multiculturalism they all write from the conviction that Khadr s treatment has been and continues to be shamefully unjust and shaped by post 9 11 Islamophobia that continues to distort the views of many Canadians Many Canadians are dismayed by the government s behaviour toward Omar Khadr Adding strong and articulate voices to the debate *Omar Khadr Oh Canada* will educate and inform readers as his story continues to unfold Contributors include Maher Arar human rights activist and journalist Craig Kielburger child labour activist and co founder of Free the Children Foundation George Elliott Clarke poet playwright and English professor at the University of Toronto Luc C t and Patricio Henriquez screenwriters directors cinematographers and producers of the documentary *You Don t Like the Truth* 4 Days Inside Guant namo LGen Rom o A Dallaire commanded the UN Assistance Mission for Rwanda in 1994 and was appointed to the Senate of Canada in 2005 Gail Davidson executive director Lawyer s Rights Watch Canada Nathalie des Rosiers General Counsel Canadian Civil Liberties Association Robert Diab lawyer and faculty member of Capilano University Alnoor Gova broadcaster and PhD student Simon Fraser University Shadia Drury CRC Chair in Social Justice University of Regina Kim Echlin novelist essayist film producer Dennis Edney former lawyer of Omar Khadr Charles Foran novelist biographer Deborah Gorham history professor Carleton University Yasmin Jiwani associate professor in the department of Communication Studies at Concordia University Hasnain Khan graduate student in political

The Ultimate Guide to Understanding Terrorism and Counterterrorism Dr. Jeffrey C. Fox, 2021-07-14 This book is for anyone who is interested in learning about terrorism in all its forms For over four decades I have studied terrorism trained to deal with it dealt with it and taught it as an academic discipline Over these decades I have seen an already complicated topic become even more difficult to understand The field of study has grown as the world has gotten smaller Ask anyone what terrorism is and you will get a myriad of answers Even in academia the topic has become more convoluted As with crime there are many theories espoused as to why one commits terrorism and why terrorism exists It appears to me that many academics researchers policymakers authors and journalists in general view this topic with a tainted lens based on their own world view Some act as apologists for terrorists while often doing so in a subtle manner Some try to expand the definition and concept well beyond the scope that it should be found I have students who do this all the time We seem to be living in an emotion driven society instead of a fact driven one A relatively new trend is to use the word extremist as a synonym for terrorist There are several problems with this First this creates a net widening effect which lumps those who we disagree with in that net Second who gets to decide who or what is extreme Third and finally it waters down and muddies the study of terrorism This does not mean that an extremist might not become a terrorist Having pointed out the minefield terrorism can be my goal is to offer an academically sound real world fact based explanation on terrorism Terrorism can be a politically charged topic I ask that as you read this book you check what is written digest it and make your own decisions on what you have read It is highly likely some of your thinking will be challenged When I began to teach homeland security which includes terrorism I made a promise to myself that I would never be politically correct Political correctness is what some terrorists rely on and is one of our worse habits We will cover several overarching themes We will look at what terrorism is and is not

We will explore the historical roots of terrorism We will discuss the causes of terrorism as well as terrorist typologies Next we will examine domestic terrorism and international and ethnic terrorism Then we will dive into religion and terrorism and spend time looking at Islamic terrorism and Jihad We will examine asymmetric warfare including terrorists tactics and weapons of choice We will discuss terrorist financing and explore counterterrorism *Encyclopedia of Canadian Social Work* Francis J. Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The Encyclopedia of Canadian Social Work fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The Encyclopedia of Canadian Social Work will be an important source of information both to Canadians and to interested groups around the world The Encyclopedia of Canadian Social Work is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary **The ^AOxford Handbook of the Canadian Constitution** Peter Oliver, Patrick Macklem, Nathalie Des Rosiers, 2017-08-10 The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non-Canadians seeking a clear concise and authoritative account of Canadian constitutional law The Handbook is divided into six parts Constitutional History Institutions and Constitutional Change Aboriginal Peoples and the Canadian Constitution Federalism Rights and Freedoms and Constitutional Theory **Understanding the Refugee Experience in the Canadian Context** Bharati Sethi, Sepali Guruge, Richard Csiernik, 2021-01-26 This volume on the resilience commitment and survival of refugees brings together the latest research and insights from 32 authors across multiple disciplines united in their pursuit of social justice for the economic social and political rights of refugees The book adopts a reflexive and relational stance without compromising the rigour and quality of research to allow the reader to appreciate the shared and distinct immigration and re-settlement experiences of refugees and their communities in all of their complexity This book will be a valuable resource to and a source of reflection for researchers educators students service providers and policymakers who are committed to envisioning Canada as a country where all newcomers feel rooted and safe [Canada Immigration Handbook Volume 1 Strategic and Practical Information](#) IBP, Inc., 2013-04-04 Canada Immigration Laws and Regulations Handbook Strategic Information and Basic Laws **A Professional's Guide to Understanding Trauma and Loss** David E. Balk, Tracy

Wong, Janet R. Balk, 2023-06-05 The purpose of this book is to provide vital information regarding loss and trauma to practicing counselors and therapists Trauma and loss are pervasive presenting problems many counselors and therapists possess scant understanding of trauma and loss and little if any attention is paid to trauma or to loss in the graduate training of clinical psychology and counseling psychology students The book is organized into four sections which cover an overview of loss and trauma key conceptual frameworks for understanding loss and trauma review of several types of events producing trauma and loss and interventions addressing loss and trauma A key contribution of the book is the focus on losses caused by death and losses due to other reasons The contributions to practice include the overview of what is known about trauma and about loss examination of several frameworks for organizing both understanding of and working with traumatized and bereaved clients rich descriptive cases of individuals coping with various traumatic events and the losses embedded in the trauma and presentation of various interventions including changes that can be made in the graduate education of practitioners

Immigration Susan Sterett, 2017-05-15 Whilst immigration policy is a highly controversial topic in the West states continue to receive people who settle whether as asylum seekers or refugees or as family members of existing migrants or labour migrants Many who move violate the immigration rules either in entering a country or staying beyond the time allowed The problems illegality entails for migrants shape much of the law and society scholarship in this area and this volume brings together the key articles which shape current thinking The main topics covered include illegality mercy and the language of deservingness transnationality family and identity refugees and asylum seekers

Handbook of Restorative Justice Dennis Sullivan, Larry Tift, 2007-05-07 Handbook of Restorative Justice is a

collection of original cutting edge essays that offer an insightful and critical assessment of the theory principles and practices of restorative justice around the globe This much awaited volume is a response to the cry of students scholars and practitioners of restorative justice for a comprehensive resource about a practice that is radically transforming the way the human community responds to loss trauma and harm Its diverse essays not only explore the various methods of responding nonviolently to harms done by persons groups global corporations and nation states but also examine the dimensions of restorative justice in relation to criminology victimology traumatology and feminist studies In addition They contain prescriptions for how communities might re structure their family school and workplace life according to restorative values This Handbook is an essential tool for every serious student of criminal social and restorative justice International Handbook of Human Response to Trauma Arie Y. Shalev, Rachel Yehuda, Alexander C. McFarlane, 2013-11-11 In 1996 representatives from 27 different countries met in Jerusalem to share ideas about traumatic stress and its impact For many this represented the first dialogue that they had ever had with a mental health professional from another country Many of the attendees had themselves been exposed to either personal trauma or traumatizing stories involving their patients and represented countries that were embroiled in conflicts with each other Listening to one another became possible because of the humbling humanity of each participant and the accuracy and objectivity of the data presented Understanding human traumatization had thus become a common denominator binding together all attendees This book tries to capture the spirit of the Jerusalem World Conference on Traumatic Stress bringing forward the diversities and commonalities of its constructive discourse In trying to structure the various themes that arose it was all too obvious that paradigms of different ways of conceiving of traumatic stress should be addressed first In fact the very idea that psychological trauma can result in mental health symptoms that should be treated has not yet gained universal acceptability Even within medicine and mental health competing approaches about the impact of trauma and the origins of symptoms abound Part I discusses how the current paradigm of traumatic stress disorder developed within the historical social and process contexts It also grapples with some of the difficulties that are presented by this paradigm from anthropologic ethical and scientific perspectives *The Palgrave Handbook of Theatre and Race* Tiziana Morosetti, Osita Okagbue, 2021-04-20 The first comprehensive publication on the subject this book investigates interactions between racial thinking and the stage in the modern and contemporary world with 25 essays on case studies that will shed light on areas previously neglected by criticism while providing fresh perspectives on already investigated contexts Examining performances from Europe the Americas the Middle East Africa China Australia New Zealand and the South Pacific islands this collection ultimately frames the history of racial narratives on stage in a global context resetting understandings of race in public discourse The Oxford Handbook of International Criminal Law Darryl Robinson, 2020-02-24 In the past twenty years international criminal law has become one of the main areas of international legal scholarship and practice Most textbooks in the field describe the evolution of international criminal

tribunals the elements of the core international crimes the applicable modes of liability and defences and the role of states in prosecuting international crimes The Oxford Handbook of International Criminal Law however takes a theoretically informed and refreshingly critical look at the most controversial issues in international criminal law challenging prevailing practices orthodoxies and received wisdoms Some of the contributions to the Handbook come from scholars within the field but many come from outside of international criminal law or indeed from outside law itself The chapters are grounded in history geography philosophy and international relations The result is a Handbook that expands the discipline and should fundamentally alter how international criminal law is understood *Handbook of Immigrant Health* Sana Loue, 2013-11-11

Here is the first comprehensive cross disciplinary work to examine the current health situation of our immigrants successfully integrating the vast literature of diverse fields epidemiology health services research anthropology law medicine social work health promotion and bioethics to explore the richness and diversity of the immigrant population from a culturally sensitive perspective This unequalled resource examines methodological issues issues in clinical care and research health and disease in specific immigrant populations patterns of specific diseases in immigrant groups in the US and conclusive insight towards the future Complete with 73 illustrations this singular book is the blueprint for where we must go in the future
