The Beachside Guest House English Edition:

The Beachside Guest House Vanessa Greene, 2015-04-28 When Rosa and Bee get together in the run up to Bee's wedding they reminisce about the holiday they took together as teenagers to the beautiful Greek island of Paros. They remember the sandy coves, the guest house in the converted windmill where they stayed with their friend Iona and the gorgeous local men. As memories of that long forgotten holiday resurface they are forced to confront the turns their lives have taken and the guilt they both feel about letting Iona slip away from them. When they learn that the windmill guest house is going bust they form a plan: why not go back to the island and take it over themselves? And so begins a life-changing journey because it turns out that opening a guest house and reliving their teenage dreams isn't that easy. Full of romance and friendship, love and life, laughter and tears, *The Beachside Guest House* is an uplifting novel about the magic of starting over with friends by your side.

Monkeys on the Edge Agustín Fuentes, 2011-04-14 Long-tailed macaques (*Macaca fascicularis*) have a wide geographical distribution and extensively overlap with human societies across southeast Asia, regularly utilizing the edges of secondary forest and inhabiting numerous anthropogenic environments including temple grounds, cities, and farmlands. Yet despite their apparent ubiquity across the region, there are striking gaps in our understanding of long-tailed macaque population ecology. This timely volume, a key resource for primatologists, anthropologists, and conservationists, underlines the urgent need for comprehensive population studies on common macaques. Providing the first detailed look at research on this underexplored species, it unveils what is currently known about the population of *M. fascicularis*, explores the contexts and consequences of human-macaque sympatry, and discusses the innovative programs being initiated to resolve human-macaque conflict across Asia. Spread throughout the book are boxed case studies that supplement the chapters and give a valuable insight into specific field studies on wild *M. fascicularis* populations.

The collection uses the concept of the sea narrative as a lens through which to consider the multiple ways in which the sea has shaped, challenged, and expanded modes of cultural representation to produce varied, contested, and provocative chronicles of the sea across a variety of

cultural forms within diverse socio cultural moments Sea Narratives provides a unique perspective on the relationship between the sea and cultural production it reveals the sea to be more than simply a source of creative inspiration instead showing how the sea has had a demonstrable effect on new modes and forms of narration across the cultural sphere and in turn how these forms have been essential in shaping socio cultural understandings of the sea The result is an incisive exploration of the sea s force as a cultural presence *Beachside Guest House* C Vanessa Greene,2015-04-28 When Rosa and Bee get together in the run up to Bee s wedding they reminisce about the holiday they took together as teenagers to the beautiful Greek island of Paros They remember the sandy coves the guest house in the converted windmill where they stayed with their friend Iona and the gorgeous local men As memories of that long forgotten holiday resurface they are forced to confront the turns their lives have taken and the guilt they both feel about letting Iona slip away from them When they learn that the windmill guest house is going bust they form a plan why not go back to the island and take it over themselves And so begins a life changing journey because it turns out that opening a guest house and reliving their teenage dreams isn t that easy Full of romance and friendship love and life laughter and tears *The Beachside Guest House* is an uplifting novel about the magic of starting over with friends by your side *The England Coast Path 2nd edition* Stephen Neale,2023-03-02 The definitive guidebook to the entire 3 000 mile length of the new England Coast Path For anyone planning a trip to the coast or a UK summer holiday the new England Coast Path national trail is a hugely exciting prospect and this guidebook shows you how to make the most of every single glorious mile Environmentalists volunteers campaigners land owners and politicians all came together to create this ninth wonder of the world and from the opening of the path in 2020 onwards anyone has been able to walk and wild camp along the entire 3 000 mile length of the English coast It s a fantastic opportunity for all walkers campers fans of the coast and the outdoors Stephen Neale has spent many happy months walking camping and surveying the path and from that experience has written a fantastically detailed and rich guidebook covering the route itself along with everything from the best places to swim hunt for fossils and eat seafood to hidden away beaches and canoeing spots Fully updated for its second edition with 100 extra adventures from the newly opened sections of the path and spectacular new aerial photography the book is divided up into the 16 coastal counties and features 1 100 places to see camp and explore around the coast Each place has map coordinates and basic directions from the path allowing walkers to either visit specific places or link highlights together walking between them along the path *The England Coast Path* represents what makes England so great a little bit mad a little bit proud and the lucky host to one of the most spectacular and wild coastlines in the world With this book you too can join the adventure *The Little Pieces of You and Me* Vanessa Greene,2016-04-21 You ll laugh as much as you cry at this poignant tale of female friendship love and loss Marie Claire A story of friendship heartbreak and the day that changed two lives forever from the bestselling author of *The Vintage Teacup Club* The perfect read for fans of Lucy Diamond and Lucy Dillon When life as you know it changes will it define you destroy you or make you stronger Best
