Tom White, 2011-04-27 People who are in trouble must discern the source of the problem. A correct assessment of the problem's origins is the first step toward responding well and resolving the situation. Is the issue explainable by natural causes? If not, it is likely that the believer is under spiritual attack. *The Believer's Guide to Spiritual Warfare* is a practical guide to overcoming the forces of the world, the flesh, and the devil that come against believers' personal lives, families, vocations, and ministries. The Holy Spirit is ready and willing to free Christians from spiritual attack, and this essential handbook will help readers access that power. They will learn to discern the source of an attack, free themselves and others from spiritual bondage, and pray effectively to protect their homes, businesses, churches, and ministries from the forces of evil. *The Believer's Guide to Spiritual Warfare* goes beyond theory to equip believers with simple, effective tools and techniques for winning victory **Prayer Book and Life Cycle Guide for Messianic Believers in Yeshua** William A. Berg, 2009-04

The Believer's Guide to Spiritual Warfare Thomas B. White, 2011-06 Are you under spiritual attack? You feel discouraged. That strong temptation to sin keeps nagging you. Your prayer life is dull. You wonder whether your teenager is taking drugs. Disagreements in your church are splitting it down the middle. If you feel like you're in a losing battle with yourself, others, or circumstances, you may be the target of spiritual attack. But there's good news for you: You can fight back and win. As an expert in the field of spiritual warfare, Tom White has equipped thousands of men and women to discern and combat demonic forces in their world. *The Believer's Guide to Spiritual Warfare* offers biblically sound, accurate, and balanced teaching on the unseen war being waged around us *The Believer's Guide to the Pastoral Ministry* Roderick L. It is our prayer that a greater understanding and appreciation for the prophetic gift and ministry will be achieved *The Believer's Guide on Personal Evangelism* Dr. John Thomas Wylie, 2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus. After all, they are the main eye-witness accounts that we have of the Savior Jesus at work. Luke 1:2-3; John 20:30-31; 24:1; John 1:1. Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ, the Son of God, and that by faith we can have life in his name. John 20:31. Be that as it may, what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live. We should remember that the witnesses who composed the books were not just witnesses to the truth; they were changed by it. The task of *The Believer's Guide On Personal*

Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ

The Believer's Guide to the Prophetic Ministry Roderick L. Evans, In this book we will bring clarity to the roles of prophets the functionality of prophetic ministry and the expressions of the prophetic gift This study is comprised of 4 distinct works on the prophetic office and gift 1 The Forming of the Prophet The Preparation of the Prophet and Prophetic Minister for Ministry and Service 2 If They Be Prophets An Examination of the Prophetic Office and Gift 3 The Prophetic Mantle The Gift of Prophecy and Prophetic Operations in the Church Today 4 Prophetic Clarity Exploring Questions Answers for the Prophetic Office and Gift It is our prayer that a greater understanding and appreciation for the prophetic gift and ministry will be achieved

THE GUIDE TO BETTER PRAYERS Dave Dailey, 2020-11-14 This book is a prayer book and it contains teachings on prayer prayer guides and other bonus material Many of us if honest struggle with prayer and really do not understand prayer or how prayer works The truth is from our earthly perspective we think why bother things are going happen and the world will carry on whether we pray or not Hopefully and prayerfully this book will help you see that we do not know everything and prayer does work In this book there are guided prayer prompts with scripture to help you pray the will of God Many of the prayer guides were developed during a year of leading a prayer ministry Every week under the Holy Spirit s guidance I wrote prayer guides that we used as a church These guides were highly effective in leading us to the Throne Room This book is designed to be a launching platform that is biblically based and as such the Holy Spirit will use them powerfully Many prayers were written to meet certain prayer needs with powerful results The first thing I learned about prayer is first it is like a muscle that must be exercised Second wisdom is the greatest thing to be gleaned

from prayer because many times we in our earthly view cannot understand God and prayer We can become skeptical of prayer if wisdom is not gleaned Third relationships are built through prayer and trust is built between the parties I have come to realize this is the reason many of our prayers are not answered Until I came into the sanctuary of God Then I understood for I considered their end Psalm 73:17 Why this book I was saved in a revival service where the presence of God was extremely tangible The people who led it were people of prayer and the results showed After the meeting I found out there was a group of college age students who were praying for revival the very revival where I was saved I went to the prayer meeting and when I heard their prayers I realized and exclaimed you guys were praying for me Ever since that time in February 2002 I have been a person of prayer and always found a group of people of prayer My life has never been the same and yours will not be either *Praying in God's Will Discussion Guide* Morgan Kizer, 2023-06-19 This book is a series of lesson plans for a guided discussion based on the book *Praying in God's Will* It explains how to lead a series of guided discussions and the benefits of them compared to a lecture format It is coupled to the book *Praying In God's will* with page numbers and references This is an ideal guide for either a home based Bible study group or a Sunday School class With this as a guide it enables many people to be able to lead a small group The lesson plans are basically a series of questions with responses NOTE Not all of the responses are answers Some of them are geared so that the leader will gain insight and a better understanding of the class's needs The book is formatted for 30 lessons This can easily be expanded or contracted to meet time and schedule requirements *Bible Study Guide: Acts Volume 1* Andrew J. Lamont-Turner, The book of Acts is a powerful narrative that chronicles the beginnings of the Christian Church and its rapid expansion throughout the Roman Empire It records the works of the apostles particularly Peter and Paul and the pivotal role of the Holy Spirit in guiding the early believers Acts is often referred to as the Acts of the Apostles but it could also be described as the Acts of the Holy Spirit as it is through the Spirit's empowerment that the Gospel spreads with such remarkable speed and influence This verse by verse study of the book of Acts aims to take you on a journey through the foundational moments of the early church moments that are still relevant today The pages of Acts present us with vivid accounts of the challenges triumphs and profound transformation that took place as the apostles spread the message of Jesus Christ Through signs and wonders bold sermons and the enduring faith of ordinary men and women the gospel message flourished in places both familiar and foreign Each chapter of Acts offers rich theological insights historical contexts and practical lessons that speak to us as modern day followers of Christ From the empowering descent of the Holy Spirit at Pentecost to the stirring missionary journeys of Paul to the unwavering courage of the early martyrs the stories in Acts challenge us to live out our faith boldly and faithfully in the world around us In this study we will not only explore the historical and theological aspects of Acts but also draw applicable life lessons from the experiences of the apostles and early believers As you read and reflect on each verse may you gain a deeper understanding of God's plan for His church and your place within it The message of Acts continues to echo through

the generations an enduring call to proclaim the Good News and to live out the truth of the Gospel in every corner of the world May this study inspire challenge and strengthen your faith as you embark on this exploration of the Book of Acts
