Olson, 2009-05-26 Many Christians faith exists as a loose collection of unexamined clichés and slogans borrowed from songs devotional books sermon illustrations and even the internet Too often this belief system if it can be called a system lacks coherence and intelligibility it can hardly be expressed let alone defended to others The problem with folk religion is that it too easily withers under the onslaughts of secularism or seemingly reasonable answers provided by cults and new religions Christianity has a long tradition of intellectual examination of other faiths and its own beliefs Socrates said that the unexamined life is not worth living great Christian minds of all the ages have believed the unexamined faith is not worth believing Reflective Christianity is Christian faith that has subjected itself to the rigorous questioning of Scripture tradition reason and experience It is mature Christian

faith that goes on believing even as it questions what it believes The goal of this book is not to destroy anyone's faith but to build it up by placing it on a firmer foundation of critical examination Ten popular Christian clichés are subjected to critical inquiry and interrogated to discover whether they contain truth or are in error In most cases the conclusion is both The aim is not to tear down straw men but to demonstrate a path toward stronger more mature Christian belief *101 Questions and Answers on the Bible* Raymond E. The Answers James Smith, 2019-07-15 *The Answers All of Them and No B S* sounds like a pretty pompous statement but when you consider it this book proves that the Bible is the only perfect written composition consisting of sixty six books written by many different men inspired by God over a period of thousands of years That proves God is real using mathematics and fulfilled prophecy that He is the One Who created heaven and earth and that there is no such thing as the big bang which science keeps on trying to sell to everybody it may be something of an understatement Not many books offer true life changing information as does this one Open your mind and heart and allow the Lord God Almighty to reveal Himself to you Become a new person by the power of the blood of Jesus Go ahead Open the book Read it You'll be glad you did

Biblical Counsel, 1993 *Gospel Portraits* K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel *Gospel Portraits* addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's

new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel

The Certainty of Uncertainty Mark

Schaefer,2018-08-23 The world is full of people who are very certain in politics in religion in all manner of things In addition political religious and social organizations are marketing certainty as a cure all to all life s problems But is such certainty possible Or even good The Certainty of Uncertainty explores the question of certainty by looking at the reasons human beings crave certainty and the religious responses we frequently fashion to help meet that need The book takes an in depth view of religion language our senses our science and our world to explore the inescapable uncertainties they reveal We find that the certainty we crave does not exist As we reflect on the unavoidable uncertainties in our world we come to understand that letting go of certainty is not only necessary it s beneficial For in embracing doubt and uncertainty we find a more meaningful and courageous religious faith a deeper encounter with mystery and a way to build strong relationships across religious and philosophical lines In The Certainty of Uncertainty we see that embracing our belief systems with humility and uncertainty can be transformative for ourselves and for our world
