The Royal Love Law James Jackson, 2019-09-09 Picking up this book is one of the most important things you have ever done in your life because true love power will be revealed to you like you have never known or understood before This kind of love power will keep God's promises to deliver and release you from a broken heart abusive relationship battered life and any violation of your love This book is a spiritual mirror that reveals love truths about you and your relationships This book has the ability to transform one's natural understanding of love to the supernatural power of love I promise you that this book will take you on a true love journey into the unknown and making true love known to you in power Just remember that this book will be one of the greatest spiritual investments with interest that you have ever sowed and planted in yourself your spouse family friends and associates This book is a combination of three books in one to make you spiritually rich with information on love for the price of one This book is God's gift of love to you that is extraordinarily motivational and inspirational at first sight

The 21 Irrefutable Laws of Leadership Workbook John C. Maxwell, 2007-09-16 Required reading for both developing and experienced leaders this one of a kind workbook companion to a leadership classic outlines

the core leadership principles that will make you more effective more influential and more successful wherever you are in your career If you ve never read *The 21 Irrefutable Laws of Leadership* you ve been missing out on one of the best selling leadership books of all time In this companion workbook leadership expert John C Maxwell shares powerful insights gleaned from his forty plus years of leadership success Maxwell helps you Take your leadership skills to the next level Discover life changing principles of influence empowerment intuition and legacy Observe your own career and evaluate yourself using an evaluation tool that reveals your leadership strengths and weaknesses Learn from stories and observations from the worlds of business politics sports the military and non profit organizations so you can transform as a leader Each of the twenty one lessons contains the following sections Definition of the Law Understand the law and how it operates Case Studies Explore three primary cases some positive some negative that reveal and illustrate the law Leadership Insight and Reflection Draw important personal conclusions about the impact of this law on your life Taking Action Assess yourself in this law and develop specific action steps to grow or make important changes Group Discussion Questions Explore the core issues and share your insights through a guided discussion with your group This workbook isn t designed to be merely a theoretical exercise It s meant to help you become a better leader And while you can easily go through this study on your own there s nothing more transformational than learning with other like minded people So gather a group of any size and see what happens as you help each other become the kind of leaders that people want to follow *The Law of Happiness* Dr. Henry Cloud,2011-01-06

Since the beginning of time people have searched for happiness and have amassed many and varied opinions on how it is found Only recently has empirical science devoted extensive research to questions such as Is happiness within our control What role does God play in making people happy How do I close the gap between where I want Drawing from the latest scientific and psychological research on the quest for happiness *The Law of Happiness* reveals that the spiritual truths of the Bible hold the secrets to the happiness we desire As Dr Henry Cloud unpacks these universal eternal principles he reveals that true happiness is not about circumstances physical health financial success or even about the people in our lives In other words it s not about the factors that are frequently beyond our control Rather happiness is found in choosing to become the kind of people God created us to be With chapter titles like *Happy People Connect Happy People Are Envy Free and Happy People Forgive* Dr Cloud shows just how happiness is achieved as he sets readers on a pathway of spiritual transformation that connects them with the God of the universe With these new tools readers will discover that their relationships their careers and their inner selves are infused with the joy they ve been seeking *Basic Handbook of Police Supervision: A Practical Guide for Law Enforcement Supervisors* Gerald W. Garner,2022-02-23

This updated handbook provides reliable guidance on what to do next and offers practical no frills advice about what to do to counter the day to day challenges and outright calamities that make up the first line leader s work life Perhaps even more important it offers time proven recommendations on how to prevent a bothersome situation from escalating into crisis proportions in the first place It will

prove equally useful to the veteran novice or future law enforcement supervisor Its sound advice will help him retain his emotional as well as physical and moral health in a real world environment that seems to become more challenging every day It will help him to lead and bring his people to share his practices and beliefs in doing a very critical job the right way Just as it should be the handbook is short on theory and long on how to advice It is literally a resource that the supervisor can tuck into an equipment bag or otherwise keep close at hand It likewise will aid him in carrying out the very practical tasks of communicating effectively evaluating employee performance correcting inappropriate behavior and helping his officers survive both on the street and in the police organization A new chapter has been added on the topic of how to lead successfully during the current very challenging environment for law enforcement entitled How to Lead During Challenging Times Summary boxes have been interspersed throughout the text that emphasize important points for police leaders to remember Meanwhile the handbook will assist the law enforcement leader in working well with his own boss and planning his own career There is no job description in the world quite like that of first line law enforcement boss The job is as unique as it is difficult and vital to the success of any successful police organization This book will help them become even better at their very important job
