The Billionaire's Backup Wife Kaylee Monroe, 2023-09-28 Most eligible billionaire bachelor is looking for a wife. When my father locked down my trust fund until I found a wife, my brother thought it would be funny to add my profile to a new matchmaking app that caused me nothing but headaches and frustration. Romance gave me hives and I had every reason NOT to believe in love, but as a billionaire and the city's most eligible bachelor, that every woman wanted, I'd now become the face of ForeverLuv. Yes, a frenzy ensued and I had no time or patience for the insanity. Deleting my profile proved impossible, so I paid a visit to the woman who owned the business and demanded she remove me. I didn't expect her to stand up to me and flat out refuse. I was a man used to snapping his fingers and people jumping to obey, but this vixen didn't budge because I was the reason why her waning business was now thriving and it wasn't her fault that my idiot brother pulled the prank. So that's when I struck a deal with the curvy sexy matchmaker: find me a suitable compatible wife in one week's time so I could recover my trust fund and I'd invest in her barely surviving software company. Fail to find me a bride to meet my standards and she'd have to stand in as my back up wife. I swore I'd never fall in love, but then again I'd never met a woman like Felicity Wright. It only took me a string of disastrous dates to figure it out.
