**A Billionaire's Obsession 1 (BWWM Interracial Romance Short Stories)** Hattie Black, 2016-09-17 10 00 am one Monday in the middle of August 23 year old Renee Wainwright sits in the modern and chic waiting area of the widely popular and rapidly growing BYWINSTON branding marketing and event planning firm She had just completed her third interview and was told to wait in the lobby while the three person panel deliberated Renee was positively hopeful It was her 3rd call back after all She looks around the sitting area and notices one young man with spiked hair wearing a thin black tie with a black and white checkered shirt and another woman with black rimmed glasses blonde bangs and tresses and a burgundy sweater I guess this is the competition Renee whispers to herself under her breath She glances down at her own apparel Renee is dressed in black washed out slacks a black blouse with ruffles down the center and her thick curly hair worn up in a top knot bun Of course she is wearing her trusty black ballet flats that Renee almost never leaves home without Eventually the conference room door opens and one by one each candidate is called back into the large room with an oval glass table surrounded by silver high back chairs When Renee is summoned she immediately springs up and speeds walk toward the room Whether good or bad news Renee is anxious to learn the final outcome *The Billionaire Boss's Obsession 1 (BWWM Interracial Romance Short Stories)* Viola Black, 2016-09-14 My name is Lisa Simone Williamson and I used to be the luckiest girl in the world For starters I was rich Even better I was actually born into money My parents were once the proud owners of Simone Cosmetics one of the largest and most successful African American owned and operated cosmetic companies in the world My parents both came from very hard working families But their families worked hard for other people which was a concept that neither my mother nor father ever understood My parents believed that if they were going to work hard then they would work hard for themselves So when they met one another and realized just how like minded they were the twosome joined forces both personally and professionally got married and created what eventually became Simone Cosmetics After they had been married for a while and their company was up and running my parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the greatest friends My parents also got me involved in their business early on because they had every intention on passing it down to me one day So I knew everything that there was to know about running Simone Cosmetics However my favorite aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the country Alpha Kappa Kappa During the

summers I would go home and intern at my parents company in the marketing department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always knew I would return to my parent s company upon graduation join the marketing team and work my way up until I was running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David James David was the star of the basketball team and I was his biggest fan My sorority sisters and I were considered celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The basketball players were regular party goers and David and I would always flirt whenever we d see one another So I wasn t surprised when one of David s teammates who just so happened to be dating my best friend Janice passed a message along saying that David was interested in me
