**A Theological Introduction to the Old Testament** Mark W. Hamilton, 2018 Ancient Israel's Scriptures have exerted worldwide influence for more than two millennia They explore human experience including the human longing for the divine through the powerful media of story ritual wisdom and prophecy This book retraces the Bible's exploration and shows how not only its conclusions but the steps taken to reach them still matter **The Book of Genesis, Chapters 18-50** Victor P. Hamilton, 1995-09-26 In the Old Testament we read God's word as it was spoken to his people Israel Today thousands of years later we hear in these thirty nine books his inspired and authoritative message for us These twin convictions shared by all of the contributors to The New International Commentary on the Old Testament define the goal of this ambitious series of commentaries For those many modern readers who find the Old Testament to be strange and foreign soil the NICOT series serves as an authoritative guide bridging the cultural gap between today's world and the world of ancient Israel Each NICOT volume aims to help us hear God's word as clearly as possible Scholars pastors and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament As gifted writers they present the results of the best recent research in an interesting manner Each commentary opens with an introduction to the biblical book looking especially at questions concerning its background authorship date purpose structure and theology A select bibliography also points readers to resources for their own study The author's own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer's theology and its implications for the life of faith today *What The Torah Teaches Us About Spirituality/ Through Isaac's Own Spiritual Journey* Laura Weakley, 2010-11-08 Can we be spiritual in every aspect of our lives Our forefather Isaac exemplifies how God wants us to incorporate spirituality in our everyday lives There is only one God and Adonai is the God of everything Isaac has so much to teach us about the spiritual depths of his story in the Torah It may seem there is little recorded about Isaac but looks can be deceiving *An Exposition of the Old Testament*, 1819 **The Old Testament** Brent A. Strawn, 2019-09-24 This concise volume introduces readers to the three main sections of the Hebrew Bible Tanakh and to the biblical books found in each It is organized around two primary stories the story that scholars tell about the Old Testament and the story the literature itself tells Concluding with a reconsideration of the Old Testament as more like poetry than a story three main chapters cover The Pentateuch Torah The Prophets Nevi'im The Writings Ketuvim With key summaries of what the parts of the Old Testament are all about and including suggestions for further reading this volume is an ideal introduction for students of and newcomers to the Old Testament **Rewritten Gospel** Jonathan M. Potter, 2024-12-30 How early Christian gospels were written is an old question that continues to engage scholars Moving beyond the traditional approach of reading Luke as a

gentile gospel composed primarily using Greco Roman methods of history and biography writing this book argues that Luke's use of the earlier Gospel of Mark should be understood in the context of contemporaneous early Jewish writings known as Rewritten Scripture Texts like the Book of Jubilees and Josephus's Antiquities interpret Scripture by rewriting it in such a way that ambiguities and contradictions are diminished while also adapting it to contemporary beliefs and practices A similar strategy of interpretation through rewriting best explains Luke's reworking of Mark Even if Mark is not yet Scripture Luke's manner of rewriting Mark suggests that Luke views the earliest gospel as an authoritative narrative about Jesus that merits interpretive clarification and expansion rather than rejection or critique This approach offers solutions to various problems in the composition of Luke such as the combination of expansion and omission verbatim repetition and free paraphrase and it also places Luke's compositional process within a plausible ancient literary context

**Old Testament Pseudepigrapha, vol. 1** Richard Bauckham, James R. Davila, Alex Panayotov, 2013-11-21 This work stands among the most important publications in biblical studies over the past twenty five years Richard Bauckham James Davila and Alexander Panayotov's new two volume collection of Old Testament pseudepigrapha contains many previously unpublished and newly translated texts complementing James Charlesworth's Old Testament Pseudepigrapha and other earlier collections Including virtually all known surviving pseudepigrapha written before the rise of Islam this volume among other things presents the sacred legends and spiritual reflections of numerous long dead authors whose works were lost neglected or suppressed for many centuries Excellent English translations along with authoritative yet accessible introductions bring those ancient documents to life for readers today *The Publishers' Circular and Booksellers' Record*, 1929 *Dictionary of the Old Testament: Pentateuch* T. Desmond Alexander, David W. Baker, 2002-12-13 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker **Catalogue of books, on sale** William Ridler, 1883 **The Saturday Review of Politics, Literature, Science and Art**, 1868 **The Holy Bible Containing the Old and New Testaments: the Text Printed from the Most Correct Copies of the Present Authorized Translation, Including the Marginal Readings and Parallel Texts: Genesis to Esther** Adam Clarke, 1851 *Saturday Review*, 1868 **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1868 *A Catalogue of Old and Rare Books Offered for Sale* Pickering & Chatto, 1894 *Athenaeum and Literary Chronicle* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1862 **Complete Concordance to the Old and New Testament** Alexander Cruden, 1867 **Athenaeum**, 1862 **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1900 [The Holy Bible Containing the Old and New Testaments](#) Adam Clarke, 1826
