The Young Dreamer, and fugitive offerings in verse,1825 **The universal anthology, a collection of the best literature, with biographical and explanatory notes, ed. by R. Garnett, L. Vallée, A. Brandl. Imperial ed** Richard Garnett,1899 **Public Papers of Charles Seymour Whitman, Governor, 1915-1918** New York (State). Henry,2005-08 To measure the impact of a minister s preaching one must first examine the societal context in which the ministry took place For example what would lead a minister of the Gospel to roar from the pulpit as did Joseph Parker of City Temple London God damn the Sultan The first section of The Golden Age of Preaching is given to the study of the times in which nine prominent British preachers ministered Understanding the times helps one to comprehend why crowds flocked to hear these men preach and why their sermons were printed in newspapers on Monday Furthermore to assess the preaching of a man one needs to take into account the life and manner of the man himself The Men Who Moved the Masses includes biographical sketches of nine selected preachers Alexander McLaren Robert William Dale Henry Parry Liddon at St Paul s London Joseph Parker Charles Haddon Spurgeon Alexander Whyte Frederick Brotherton Meyer John Henry Jowett and George Campbell Morgan These were men though hampered by various medical problems and personality shortcomings who led thousands to faith in their day The final section attempts to answer the question Why by identifying those homiletical characteristics of their preaching which they had in common resulting in such uncommon impact upon the masses Those qualities are not confined to their era alone They are perpetual applicable to any age to any culture Preachers and seminarians who dare to sit at the feet and learn from these preaching giants of the past will find their own preaching power lifted onto a new plain to the benefit of all who hear them *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden- Clarke,1845 *Calmet's Dictionary of the Holy Bible, by the Late Mr. Charles Taylor ... Third Edition* Augustin Calmet,1832 **Rethinking Life** Shane Claiborne,2023-02-07 Drawing on Scripture church history and his own story Shane Claiborne explores how a passion for social justice issues surrounding life and death such as war gun ownership the death penalty racial injustice abortion poverty and the environment intersects with our faith as we advocate for life in its totality Many of us wonder how to think about and act on issues of life and death beyond abortion and the death penalty yet the heated debates in our churches and the confusion of our own hearts sometimes feel overwhelming What does a balanced Christian view of what it means to be pro life really look like Combining stories theological reflection and a little wit with a Southern accent activist Shane Claiborne explores the battle between life and death that goes back to the Garden of Eden Shane draws on his childhood growing up in the Bible Belt his own change of perspective on how to advocate for life and his years of working on behalf of all people to
