The Bracero Program Interest Groups And Foreign Policy

Austin Sarat

The Bracero Program Interest Groups And Foreign Policy:

The Bracero Program Richard B. Craig, 1971 **Migrants, Refugees, and Foreign Policy** Rainer Münz, Myron Weiner, 1997 Now faced with growing resistance to admitting foreigners into their countries both governments have once again been using foreign policy instruments in an effort to change the conditions in the refugees countries of origin that forced them to leave The Bracero Program Richard B. Craig, 2015-01-02 Long before Cesar Chavez and Chicano became commonly known the word bracero had established itself in the language of American politics The Mexican Farm Labor Program or bracero program as it came to be known was from its inception in 1942 a highly controversial issue At international national and subnational levels it remained the focal point of an intense interest group struggle This struggle and its group combatants provide the central concern of this study In the early 1940s agribusiness interests had sought to contract Mexican laborers braceros for work on United States farms With the entry of the United States into World War II legislation was passed for contracting braceros on a large scale What was originally a wartime measure soon became an institution During twenty two years 4 2 million braceros were contracted The United States at the insistence of the Mexican government became a partner in the program ensuring that the braceros were provided housing set wages and other benefits The program was however detrimental to one group in the United States the native farmworker Not only was the bracero provided guarantees that the native could not demand but the bracero also got the native's job During the late forties and fifties organized labor gathered its forces in Congress to oppose the program Finally an administration favorable to the native farmworker threw its support behind the native laborer and through the Department of labor measures were passed that made it less attractive to hire foreign labor In the end the anti bracero forces won out in Congress and defeated extension of the Mexican Farm Labor program At the same time the United States government by setting the working standards for foreign workers brought about an improvement in the working conditions and wages of native farm laborers Besides the conflicts between domestic interests Craig examines the international conflicts and issues involved as well as the international agreements that were the basis of bracero contracting He discusses with perception the program's immediate and long range effects on Mexico His study analyzes and clarifies one of the most controversial domestic and international programs of the twentieth century **Ethnicity, Race, and American Foreign Policy** Alexander DeConde, 1992 This book sheds a disconcerting light on a familiar history contending that ethnoracial considerations and especially British American ethnocentrism have often taken priority over morality ideology and other factors in determining U S foreign policy **The Invisible Workers of the U.S.-Mexico Bracero Program** Ronald L. Mize, 2016-08-30 As the first and largest guestworker program the U S Mexico Bracero Program 1942 1964 codified the unequal relations of labor migration between the two nations This book interrogates the articulations of race and class in the making of the Bracero Program by introducing new syntheses of sociological theories and methods to center the experiences and recollections of former Braceros and their

families U.S. Immigration Policy and the National Interest United States. Select Commission on Immigration and Refugee Policy, 1981 **Studies in Law, Politics, and Society** Austin Sarat, 2020-09-04 This special issue of Studies in Law Politics and Society examines how law understands the past Topics covered include the use of legal language to dehumanize slaves in the eighteenth century the use of history by lawyers and judges to justify existing law or make changes to the law during the nineteenth and twentieth centuries **Mexicanos, Third Edition** Manuel G. Gonzales, 2019-06-05 Responding to shifts in the political and economic experiences of Mexicans in America this newly revised and expanded edition of Mexicanos provides a relevant and contemporary consideration of this vibrant community Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and often struggling to respond to political and economic precarity Mexicans play an important role in US society even as the dominant Anglo culture strives to assimilate them With new maps updated appendixes and a new chapter providing an up to date consideration of the immigration debate centered on Mexican communities in the US this new edition of Mexicanos provides a thorough and balanced contribution to understanding Mexicans history and their vital importance to 21st century America **Handbook Of Research On The International Relations Of Latin America And The Caribbean** G. Pope Atkins, 2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private **American Immigration** Roger Daniels, 2001-05-10 Once I thought to write a history of the immigrants in America Then I discovered that the immigrants were American history wrote historian Oscar Handlin Immigrants and generations of their descendants have defined the American nation from its beginning and continue to provide America s characteristic diversity representing practically every race nationality religion and ethnic group around the world Some immigrants came to the New World in search of economic gain Others were brought in chains Still others found refuge in America from religious or ethnic persecution This single volume encyclopedia includes more than 300 entries covering multiple aspects of immigration history and policy ethnic groups including census and immigration statistics major periods of immigration and areas of settlement predominant religion and historical background key immigration legislation

such as the Chinese Exclusion Act Immigration Act of 1990 and Refugee Act of 1980 terms and concepts including green card quota system citizen naturalization picture brides and nativism categories of immigrants including refugees indentured servants children and exiles immigration stations Angel Island Castle Garden and Ellis Island religious groups and churches such as Amish Huguenots Muslims and Eastern Rite churches further reading lists and cross references follow each entry An introductory essay provides a cogent overview of the entire scope of the book More than 150 photographs and illustrations complement the entries Statistical boxes supplement the articles with key information A list of immigration ethnic and refugee organizations a guide to further research that includes books museums and websites and a detailed chronology conclude this useful resource for research in American history ethnic and multicultural studies and genealogy Oxford's Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Latino Employment, Labor Organizations, and Immigration Antoinette Sedillo López, 1995 At the Crossroads Frank D. Bean, 1997-03-27 Mexico is becoming increasingly important as a focus of U S immigration policy and the movement of people across the U S Mexico border is a subject of intense interest and controversy The U S approach to cross border flows is in flux the economic climate in Mexico is uncertain and relations between the two neighbors have entered a new stage with the launching of NAFTA This volume draws together original essays by distinguished scholars from a variety of disciplines and both sides of the border to examine current impetuses to migration and policy options for Mexico and the U S

The Countryside in the Age of the Modern State Catherine McNicol Stock, Robert D. Johnston, 2018-05-31 However urban the nation has become Catherine McNicol Stock and Robert D Johnston write twenty percent of its citizens still live outside major metropolitan areas Moreover rural economic activity agricultural extractive recreational and industrial has an enormous impact on the nation's overall economic well being The stories of contemporary rural people still have the power to move us They reflect the values dreams and ideals at the core of the economically racially and ethnically diverse American experience The Countryside in the Age of the Modern State moves rural history into explorations of modern politics diverse rural peoples and their complex relationships to the American state in the twentieth century The volume's contributors examine African American progressive farm organizers the experiences of Caribbean and Mexican farm laborers agrarian intellectuals in the New Deal the politics of land and landscape in the Rocky Mountain west and the origins of today's rural political movements

Encyclopedia of the Great Plains David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging planned encyclopedia of this important region Their objective was to give

definition to a region that has traditionally been poorly defined and they have meXicana Roots and Routes Vanessa Fonseca-Chávez, Anita Huízar-Hernández, 2025-09-23 Community voices are often an underrepresented aspect of our historical and cultural knowledge of the U S Southwest In this collection established and emerging scholars draw upon their rootedness in the U S Southwest and U S Mexico borderlands The meXicana contributors use personal and scholarly inquiry to discuss what it means to cultivate spaces of belonging navigate language policies and explore and excavate silences in various spaces among other important themes From the recruitment of Latinas for the U S Benito Ju rez Squadron in World War II to the early twentieth century development of bilingual education in Arizona to new and insightful analyses of Bracero Program participants and their families the book details little known oral histories and archival material to present a rich account of lives along the border with emphasis on women and the working class As the inaugural publication of the Arizona Crossroads series readers will find Arizona featured as a central node of borderlands roots and routes Each section of the book intentionally centers Arizona within broader comparative and cross state dialogues alongside chapters that reflect regional concerns in other southwestern states including Texas California Colorado and New Mexico Throughout this volume highlights the ways in which personal experience community building and scholarly perspectives can provide a powerful space for community voices Contributors Vanessa Fonseca Ch vez Lillian Gorman Gloria Holgu n Cu draz Anita Hu zar Hern ndez Christine Marin Valerie A Mart nez Alina R M ndez Karen R Roybal Yvette J Saavedra Liliana Toledo Guzm n Andrea Tovar Mexican Labor and World War II Erasmo Gamboa, Kevin Leonard, 2015-09-01 Although Mexican migrant workers have toiled in the fields of the Pacific Northwest since the turn of the century and although they comprise the largest work force in the region s agriculture today they have been virtually invisible in the region s written labor history Erasmo Gamboa s study of the bracero program during World War II is an important beginning describing and documenting the labor history of Mexican and Chicano workers in Oregon Washington and Idaho and contributing to our knowledge of farm labor Oregon Historical Quarterly Guest Workers or Colonized Labor? GilbertG. Gonzalez, 2017-07-05 While a few commentators have recognized the parallels of the guest worker programs for Mexican immigrants to the United States to the bracero policies early in the 20th century fewer still connect those policies to traditional forms of colonial labor exploitation such as that practiced respectively by the British and French colonial regimes in In **Border Visions** Jakub Kazecki, Karen A. Ritzenhoff, Cynthia J. Miller, 2013-06-13 Over the last several decades the boundaries of languages and national and ethnic identities have been shifting altering the notion of borders around the world Borderland areas such as East and West Europe the US Mexican frontera and the Middle East serve as places of cultural transfer and exchange as well as arenas of violent conflict and segregation As communities around the world merge across national borders new multi ethnic and multicultural countries have become ever more common Border Visions Identity and Diaspora in Film offers an overview of global cinema that addresses borders as spaces of hybridity and change In this collection of essays contributors examine how cinema

portrays conceptions of borderlands informed by knowledge politics art memory and lived experience and how these constructions contribute to a changing global community These essays analyze a variety of international feature films and documentaries that focus on the lives cultures and politics of borderlands The essays discuss the ways in which conflicts and their resolutions occur in borderlands and how they are portrayed on film The volume pays special attention to contemporary Europe where the topic of shifting border identities is one of the main driving forces in the processes of European unification Among the filmmakers whose work is discussed in this volume are Fatih Akin Montxo Armend riz Cary Fukunaga Christoph Hochh usler Holger Jancke Emir Kusturica Laila Pakalnina Alex Rivera Larissa Shepitko Andrea Staka Elia Suleiman and Istv n Szab A significant contribution to the dialogue on global cinema Border Visions will be of interest to students and scholars of film but also to scholars in border studies gender studies sociology and political science

Managed Migrations Cristina Salinas, 2018-11-14 2020 National Association for Chicana and Chicano Studies NACCS Book Award Winner Honorable Mention Ramirez Family Award for Most Significant Scholarly Book Texas Institute of Letters 2019 Managed Migrations examines the concurrent development of a border agricultural industry and changing methods of border enforcement in the Rio Grande Valley of Texas during the past century Needed at one moment scorned at others Mexican agricultural workers have moved back and forth across the US Mexico border for the past century In South Texas Anglo growers dreams of creating a modern agricultural empire depended on continuous access to Mexican workers While this access was officially regulated by immigration laws and policy promulgated in Washington DC in practice the migration of Mexican labor involved daily on the ground negotiations among growers workers and the US Border Patrol In a very real sense these groups set the parameters of border enforcement policy Managed Migrations examines the relationship between immigration laws and policy and the agricultural labor relations of growers and workers in South Texas and El Paso during the 1940s and 1950s Cristina Salinas argues that immigration law was mainly enacted not in embassies or the halls of Congress but on the ground as a result of daily decisions by the Border Patrol that growers and workers negotiated and contested She describes how the INS devised techniques to facilitate high volume yearly deportations and shows how the agency used these enforcement practices to manage the seasonal agricultural labor migration across the border Her pioneering research reveals the great extent to which immigration policy was made at the local level as well as the agency of Mexican farmworkers who managed to maintain their mobility and kinship networks despite the constraints of grower paternalism and enforcement actions by the Border Patrol

Deportation Nation Dan Kanstroom, 2010-03-15 The danger of deportation hangs over the head of virtually every noncitizen in the United States In the complexities and inconsistencies of immigration law one can find a reason to deport almost any noncitizen at almost any time In recent years the system has been used with unprecedented vigor against millions of deportees We are a nation of immigrants but which ones do we want and what do we do with those that we don t These questions have troubled American law and politics since colonial times Deportation Nation is a chilling

history of communal self idealization and self protection The post Revolutionary Alien and Sedition Laws the Fugitive Slave laws the Indian removals the Chinese Exclusion Act the Palmer Raids the internment of the Japanese Americans all sought to remove those whose origins suggested they could never become true Americans And for more than a century millions of Mexicans have conveniently served as cheap labor crossing a border that was not official until the early twentieth century and being sent back across it when they became a burden By illuminating the shadowy corners of American history Daniel Kanstroom shows that deportation has long been a legal tool to control immigrants lives and is used with increasing crudeness in a globalized but xenophobic world

Uncover the mysteries within Crafted by is enigmatic creation, **The Bracero Program Interest Groups And Foreign Policy** . The Bracero Program Interest Groups And Foreign Policy Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Bracero Program Interest Groups And Foreign Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Bracero Program Interest Groups And Foreign Policy has opened up a world of possibilities. Downloading The Bracero Program Interest Groups And Foreign Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Bracero Program Interest Groups And Foreign Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Bracero Program Interest Groups And Foreign Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Bracero Program Interest Groups And Foreign Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Bracero Program Interest Groups And Foreign Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Bracero Program Interest Groups And Foreign Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About The Bracero Program Interest Groups And Foreign Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Bracero Program Interest Groups And Foreign Policy is one of the best book in our library for free trial. We provide copy of The Bracero Program Interest Groups And Foreign Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Bracero Program Interest Groups And Foreign Policy. Where to download The Bracero Program Interest Groups And Foreign Policy online for free? Are you looking for The Bracero Program Interest Groups And Foreign Policy PDF? This is definitely going to save you time and cash in something you should think about.
