The Bridge At Dong Ha:

The Bridge at Dong Ha Estate of John G. Miller, 1996-08-19 This is the true story of the legendary Vietnam War hero John Ripley who braved intense enemy fire to destroy a strategic bridge and stall a major North Vietnamese invasion into the South in April 1972 Told by a fellow Marine the account lays bare Ripley's innermost thoughts as he rigged 500 pounds of explosives by hand walking the beams beneath the bridge crimped detonators with his teeth and raced the burning fuses back to shore thus saving his comrades from certain death First published in 1989 the book has broad appeal as a riveting tale of adventure But John Miller has taken this daring act of heroism beyond the specifics of time and place to provide new insights into the nature of war and warriors characteristics that have remained unchanged for centuries and will remain valid for generations to come It has been on the Marine Corps Commandant's recommended reading list since 1990 Newly illustrated by Col Charles Waterhouse USMCR Ret Lightning from the Sky, Thunder from the Sea Thomas Petri, 2009 ANGLICO Super Grunts of 1st ANGLICO were deployed to all four tactical zones of Vietnam in small mobile fire control teams providing support to U S Army and allied elements This organization was the last tactical unit to stand down from the war and gained distinction as the only Marines in country reporting directly to MACV Working closely with Korean Marines recounting several actions involving these legendary warriors from the Land of the Morning Calm this little known but highly effective unit had an impact on the war far greater than their small numbers Field radio operators and naval gunfire spotters composed the tactical membership of this unit Both professions were cross trained in each competence and each in turn was further qualified as tactical air controllers An airborne capable platoon was established mandating many ANGLICOs attend jump school and undertake other specialty training in the event they are called on to enter combat by unconventional means Not being able to predict who they may be called on to support training was pushed to the level of the most elite forces in the free world BLUE DRAGONS Most men of the Blue Dragon Brigade came of age during a war that raged fierce on their own homeland little more than a decade earlier During a short lived occupation by North Korea the people of the south endured extremely harsh treatment by would be conquerors Events of recent history still burned in their hearts and haunted their dreams They were mostly all children at the time leaving scarcely a man untouched by personal tragedy that could only be forged in a crucible of terror Many were orphaned and all shared a thirst to settle a score that only those who drink deep from the same cup of dread can truly understand Fighting to Leave Robert E. Stoffey, 2008-09-15 From a Vietnam wartime veteran and US Marine officer an insider's account of the final military strategies of the Vietnam war Perhaps more vexing than any part of the Vietnam War America's longest was getting out This book offers a chronicle of those last difficult years 1972 and 1973 that is at once a detailed and thorough overview and at the same time a vividly personal account The year 1972 found Marine Corps pilot Robert E Stoffey beginning his third combat tour in Vietnam After flying 440 combat missions out of Da Nang and Marble Mountain Airfields in South Vietnam and being shot down twice between 1965 and 1970

Stoffey was in a unique position to judge the United States changed strategy From the vantage point of the USS Oklahoma City he fought and observed the critical and complex last two years of the war as Marine Air Officer and Assistant Amphibious Warfare Officer on the staff of the Commander Seventh Fleet As the South Vietnamese battled for survival against the onslaught from the Communist North Vietnamese Army the US Seventh Fleet afloat in the Gulf of Tonkin and the South China Sea was a significant supporting force With the US Navy s mining of North Vietnams waterways concentrated shore bombardments and air attacks this sea power was instrumental in leading to the negotiated end of the war and return of our POWs This is the story that Robert Stoffey tells in his firsthand account of how the Vietnam War finally ended and what it took to get our POWs home

Naval Operations Office,1972 *Mobility, Support, Endurance* Edwin Bickford Hooper,1972 *America's Last Vietnam Battle* Dale Andrade,2000-12-31 In the spring of 1972 North Vietnam launched a massive military offensive designed to deliver the coup de grace to South Vietnam and its rapidly disengaging American ally But an overconfident Hanoi misjudged its opponents who led by American military advisers and backed by American airpower were able to hold off the North s onslaught in what became the biggest battle of a very long war Dale Andrade rescues this epic engagement from its previous neglect to tell a riveting tale of heroism against great odds Originally published in cloth in 1995 as *Trial by Fire* and drawing upon recent Vietnamese language sources this new paperback edition will finally allow a true classic on the war to reach the wide readership it deserves

Break in the Chain—Intelligence Ignored W. R. Baker,2021-07-31 A riveting combination of war memoir and analysis providing valuable insights into the role of military intelligence in Vietnam *International Journal of Intelligence and Counterintelligence* For the first two weeks of the Easter Offensive of 1972 the 571st Military Intelligence Detachment provided the only pertinent collateral intelligence available to American forces Twice daily the Detachment provided intelligence to the USS Buchanan DDG 14 US Navy SEALs and Special Forces units including tactical and strategic forecasts of enemy movements information that was otherwise unavailable to U S units and advisors in country Bob Baker was an intelligence analyst who was there In the weeks before the offensive vital agent reports and verbal warnings by the 571st MI Detachment had been ignored by all the major commands they were only heeded and then only very reluctantly once the offensive began This refusal to listen to the intelligence explains why no Army or USMC organizations were on call to recover prisoners discovered or U S personnel downed behind enemy lines as in the BAT 21 incident as the last two Combat Recon Platoons in Vietnam had been disbanded six weeks before the offensive began The lessons and experiences of Operation Lam Son 719 in the previous year were ignored especially with regard to the NVA s tactical use of tanks and artillery In his memoir Baker the only trained military intelligence analyst with the 571st MI Detachment in 1972 reveals these and other heroics and blunders during a key moment in the Vietnam War

Melson,2021-05-27 During the Cold War Vietnam showed the limitations of a major power in peripheral conflicts Even so the military forces involved North Vietnamese South Vietnamese American and Allied demonstrated battlefield consistency in conflict that gave credit to them all When North Vietnam launched its massive Easter Offensive against the South in late March 1972 the first invasion effort since the Tet Offensive of 1968 its scale and ferocity caught the US high command off balance The inexperienced South Vietnamese soldiers manning the area south of Vietnamese Demilitarized Zone in former US bases plus the US Army and Marines Corps advisors and forces present had to counter a massive conventional combined arms invasion The North s offensive took place simultaneously across three fronts Quang Tri Kontum and An Loc In I Corps Tactical Zone the PAVN tanks and infantry quickly captured Quang Tri City and overran the entire province as well as northern Thua Thien However the ARVN forces regrouped along the My Chanh River and backed by US

airpower tactical strikes and bomber raids managed to halt the PAVN offensive before retaking the city in a bloody counteroffensive Based on primary sources and published accounts of those who played a direct role in the events this book provides a highly detailed analysis of this key moment in the Vietnam conflict Although the South s forces managed to withstand their greatest trial thus far the North gained valuable territory within South Vietnam from which to launch future offensives and improved its bargaining position at the Paris peace negotiations
