The Canons And Decrees Of The Council Of Trent:

The Canons and Decrees of the Council of Trent Rev. Fr. H. J. Schroeder, 2005 This Council spanned the pontificates of five popes and shone as a beacon to all the world condemning errors of the Protestant Reformation and making pronouncements on a vast number of Church doctrines and disciplines Covers such topics as Holy Orders Original Sin Purgatory Nicene Creed and much more Fr Schroeder s translation demonstrates the authority and clarity with which the Church makes her official pronouncements

Canons and Decrees of the Council of Trent Theodore Alois Buckley, 2020-09-28 At the beginning of this our pontificate which not on account of our own merits but of its own great goodness the providence of Almighty God hath committed unto us already perceiving into what disturbances of the times and unto how many embarrassments of almost all our affairs our pastoral care and watchfulness were called we desired indeed to remedy the evils of the Christian commonwealth with which it had long been afflicted and well nigh overwhelmed but we also as men compassed with infirmity perceived that our strength was unequal to take upon us so great a burthen For whereas we saw that there was need of peace to deliver and preserve the commonwealth from the many impending dangers we found all things replete with enmities and dissensions above all the princes to whom well nigh the whole direction of matters has been intrusted by God at enmity with each other Whereas we deemed it necessary that there should be one fold and one shepherd for the Lord s flock in order to confirm the integrity of the Christian religion and the hope of heavenly things within us the unity of the Christian name was well nigh rent and torn asunder by schisms dissensions heresies Whereas we could have wished the commonwealth safe and defended from the arms and insidious attacks of the unfaithful yet through our transgressions and the guilt of us all the wrath of God forsooth hanging over our sins Rhodes had been lost Hungary harassed war both by land and sea had been intended and planned against Italy Austria and Illyria whilst our impious and ruthless enemy the Turk was never at rest and deemed our own mutual enmities and dissensions his fitting opportunity for carrying out his designs with success Wherefore as we have said having been called upon to guide and govern the bark of Peter in so great a tempest and in the midst of so violently upraised waves of heresies dissensions and wars and as we did not rely sufficiently on our own strength we first of all cast our cares upon the Lord that He might sustain us and furnish our soul with firmness and strength our mind with prudence and wisdom Then recalling to mind that our predecessors endowed with admirable wisdom and holiness had often in the greatest perils of the Christian commonwealth had recourse to cumenical councils and general assemblies of bishops as the best and most opportune remedy we also fixed our mind on holding a general council and having consulted the opinions of those princes whose consent seemed to us to be especially useful and opportune for this matter when we found them at that time not averse from this so holy a work we as is attested by our letters and records indicted an cumenical council and a general assembly of those bishops and other fathers whom it concerned to be opened at the city of Mantua on the tenth of the calends of June in the year 1537 of the incarnation of our

Lord the third of our pontificate having an almost certain hope that when we were there assembled in the name of the liord the Lord himself as He promised would be in the midst of us and in His goodness and mercy easily put down by the breath of His month all the storms and all the dangers of the times The Canons and Decrees of the Sacred and Œcumenical Council of Trent James Waterworth,1848 *Canons and Decrees of the Council of Trent* Fathers of the Church,2020-06-17 2020 Reprint of the 1941 Edition Full facsimile of the original edition and not reproduced with Optical Recognition Software The Council of Trent held between 1545 and 1563 in Trent or Trento in northern Italy was the 19th ecumenical council of the Catholic Church Prompted by the Protestant Reformation it has been described as the embodiment of the Counter Reformation The Council issued condemnations of what it defined to be heresies committed by proponents of Protestantism and also issued key statements and clarifications of the Church s doctrine and teachings including scripture the Biblical canon sacred tradition original sin justification salvation the sacraments the Mass and the veneration of saints The Council met for twenty five sessions between December 1545 and December 1563 Pope Paul III who convoked the Council oversaw the first eight sessions 1545 47 while the twelfth to sixteenth sessions 1551 52 were overseen by Pope Julius III and the seventeenth to twenty fifth sessions 1562 63 by Pope Pius IV The consequences of the Council were also significant with regard to the Church s liturgy and practices During its deliberations the Council made the Vulgate the official example of the Biblical canon and commissioned the creation of a standard version although this was not achieved until the 1590s In 1565 a year after the Council finished its work Pius IV issued the Tridentine Creed and his successor Pius V then issued the Roman Catechism and revisions of the Breviary and Missal in respectively 1566 1568 and 1570 These in turn led to the codification of the Tridentine Mass which remained the Church s primary form of the Mass for the next four hundred years Contents Indulgences Justification The Eucharist Transubstantiation Penance Extreme Unction Marriage Holy Orders Original Sin Purgatory Veneration of Saints Relics The Nature of the Mass The Nicene Creed The Authenticity of the Latin Vulgate
