Nightmare Steven Long, 2007-04-01 Well liked and respected Mark Hacking came from a highly successful Mormon family. His father was a pediatrician. One of his brothers was also a doctor and his other brother was an electrical engineer. With acceptances into both George Washington University and University of North Carolina medical schools, Mark was on the road to continuing his family's legacy of achievement. And with a beautiful wife by his side, Mark seemed to have it all. But what he had was a tangled web of lies. For eight years, Mark lived a double life of deceptions, petty crimes, and failures, duping everyone, including his trusting wife, Lori. But when Lori uncovered his most extraordinary lie, Mark Hacking turned from deceiver to stone-cold killer. On a hot July day in Utah, Mark Hacking told police that his wife had disappeared while jogging. For fourteen days, searchers looked frantically for Lori. The people who knew Mark Hacking and his wife best watched in amazement as suspicion fell on the outwardly normal, doting young husband who everyone thought was on his way to medical school. When Lori Hacking's badly decomposed body was found in a Salt Lake City landfill, investigators and even family members finally discovered the shocking truth: Mark Hacking was not the man he seemed to be. Every Woman's Nightmare is the shocking true crime story of a fairytale marriage that ended in murder. *Wallace Stevens among Others* David R. Jarraway, 2015-09-01 In *Wallace Stevens among Others*, David Jarraway explores the extraordinary achievement of Wallace Stevens but in contexts that are not usually thought about in connection with Stevens's work: gay literature, contemporary fiction, Hollywood film, and avant-garde architecture, among others. By viewing the poet among these other contexts, Jarraway considers the nature of self-reflection and pays special attention to the discrediting of self-presence as the principle of identity in American writing, a theme that reflects American authors' abiding concern for subjectivities that engage the world from spaces of distance and difference. By returning to the work of Stevens, Jarraway seeks to refurbish this preoccupation by linking it to the literary theory of French philosopher Gilles Deleuze, whose work applies to American writers from Melville and Whitman to Fitzgerald and Cummings. Jarraway forges the link between Deleuze and Stevens by drawing out the female subjectivity found in each writer's work to rethink the more static masculinist premises of being. Informed by a deep knowledge of and fluency with the work of Stevens and Deleuze, Jarraway uses these writers as a means of entry into American literature and culture. *Wallace Stevens among Others* is a sophisticated analysis that will open new directions for future scholarship. *Loving Life as an At-Home Mom* Donna Otto, 2006 This celebration of stay-at-home motherhood is filled with practical ideas to make the choice and journey sweeter, easier, and more fulfilling. Author and long-time mentor to moms, Donna Otto shares how mothers can be women of God in a world of children, fine-tune their household routine, make time for themselves, choose the best educational option for their children, find support from other moms and women. This insightful, encouraging, and personable resource will help those evaluating the decision and will be a life-saver for moms already discovering the rewards of being at home.
