Writing and Grammar: Communication in Action Pearson/Prentice Hall, Joyce Armstrong Carroll, 2004 *Prentice Hall Literature* Prentice Hall (School Division), **Standardized test preparation workbook**, 2002 *A Practical Guide to Lawyering Skills* Fiona Boyle, Deverall Capps, 2013-10-18 Lawyering skills are increasingly part of undergraduate law degrees as well as essential elements in the postgraduate vocational law courses the LPC and the BVC. This fully updated third edition continues to bring together the theory and practice of these skills in an accessible and practical context. The authors draw on their vast experience of law in practice to develop the core skills taught on both undergraduate and postgraduate courses. Skills covered include written communication, mediation, information technology, opinion writing, drafting, advocacy, interviewing, negotiation, legal research. Each chapter uses diagrams, boxes, lists, and flow charts to further explain and develop each skill and ends with a further reading section. *A Practical Guide to Lawyering Skills* is essential reading for all undergraduate and vocational law students seeking to develop the necessary skills to work successfully with law in the twenty-first century. **Practical Guide to Lawyering Skills** Fiona Boyle, 2003 This guide places the theory and practice of lawyering skills in an accessible and practical context. The book looks at how skills are taught and assessed both on undergraduate and vocational courses and helps students to see skills as an integral element of law. The Handbook of Communication Skills Owen Hargie, 2025-03-19 The Handbook of Communication Skills is recognised as one of the core texts in the field of communication, offering a state-of-the-art overview of this rapidly evolving field of study. The fifth edition of this bestselling book situates communication in a range of different contexts, from interacting in groups to the counselling interview. It covers topics such as non-verbal behaviour, listening, negotiation, interacting in groups, and mentoring. This new edition has been fully revised and updated and includes a brand new chapter on digitally mediated communications in social and working environments, as well as newly written chapters on humour and laughter in communication and persuasion. Based on the core tenet that interpersonal communication can be conceptualised as a form of skilled activity, the book looks at core communication skills and how these can be applied in specific contexts, expertly combining theory with practice. This handbook provides a rich mine of information for use in a variety of contexts, from theoretical mainstream communication modules on degree programmes to vocational courses in health, business, and education. With contributions from an internationally renowned range of scholars, this is the definitive text for students, researchers, and professionals alike.
