Because bodyguard Tanner Green may have been killed by that knife but his angry ghost isn't going anywhere not without vengeance. Now literally caught between the living and the dead Dillon and Jessy have no choice but to forge ahead together. Their investigation will take them from the glitz of the Vegas strip into the dealings of casino magnate Emil Landon the man who signs both their paychecks and out into the desert to a ghost town called Indigo where past and present come together in a search for gold. Years ago blood was shed on that very ground and now it looks as if history is about to repeat itself with the living and the dead facing off for possession of a fortune and Dillon and Jessy fighting not only to stay alive but for the chance to build a future.
