Waves: a Grief Journey Zerrin Bulut, 2018-04-26 After the unexpected loss of three family members in less than two years I was forced to reevaluate not only the meaning of family but the way in which I viewed myself in the world and my greater purpose In doing so the grieving process and the way that grieving was viewed in our culture was examined as I made my way through the deaths of my parents and older brother This memoir is a way to share my grief experience to let others know that grief is in fact normal and should be an accepted and natural part of our culture I am still working my way through and on my path and am exceedingly thankful for all those that have helped me along the way *One Ripple at a Time* Janice Jensen, 2025-07-30 A woman's inspirational memoir of the tragic death of her young child and her own courageous journey of transformation this unforgettable story will resonate deeply with anyone who has experienced loss with honest insights on working through grief resilience and reclaiming joy in life Without warning disaster strikes How does a grief stricken young mother rebuild her life and rediscover joy On a family vacation in Austria Janice Jensen's children played near a sleepy stream Suddenly the water rose catastrophically Miles upstream a power company had released a raging torrent that rushed down and swept away her young son as she watched helplessly Heartbroken Janice gave all her love and support to her surviving daughter and devastated husband as the three struggled to rebuild their lives together This life affirming memoir follows Janice's decades long journey from deepest anguish to helping others and discovering more of the world as she teaches dances and lives abroad in Colombia Syria and Saudi Arabia In a plainspoken warm and honest voice Janice shares how she survives waves of pain and finds gifts of love Over time she confronts her fear of water and builds a life that fully embraces joy And ultimately her passion for ballroom dance leads her to reconnect with her son's spirit

Grief is Like a Huge Wave- Skylight (Organization), 2004 Finding Peace in Times of Tragedy Christy Monson, 2019-04-01 Finding peace in times of worldwide trauma is difficult and finding peace in times of personal trauma such as a family death or tragedy can be overwhelming Therapist Christy Monson professionally and compassionately describes how tragedy physically changes the brain and the body and she provides powerful techniques to help heal those invisible wounds and cope with the turmoil of our day Chapters are interspersed with moving first hand accounts that span

the range of human tragedy including those from A 9 11 survivor Parents who had two children die of brain tumors A mother whose son lost a leg in a road side bomb in Afghanistan A young adult whose father committed suicide And a rape survivor Through detailed research years of experience and detailed interviews with survivors Monson shows that there is hope for not just peace but also joy after tragedy **Boldly into the Darkness** Autumn Toelle-Jackson,2020-10-01 WINNER OF THE ILLUMINATION BOOK AWARDS 2021 SILVER MEDAL QUARTER FINALIST IN THE 2020 BOOK LIFE NON FICTION AWARDS and FINALIST IN THE 2020 FOREWORD INDIES BOOK OF THE YEAR AWARDS Love Loss Hope Repeat Life for Autumn Toelle Jackson started out on a happy and ordinary timeline When she entered her thirties however tragedy made up for lost time Over the span of a few short years she endured several miscarriages and the loss of her husband a dear cousin and child But one small cross section of a life doesn't do justice to the amount of love resilience growth and blessings a person experiences after such titanic losses With each new harbinger of grief Toelle Jackson was forced to discover another way to survive the pain In **Boldly into the Darkness** she examines all the lessons and outcomes of her life story with aching intimacy and insight The result is a portrait of healing so complete it transcends the traditional survivor narrative and enters new territory a bold light shining where before was only darkness **Riding Waves: A Journey Through Grief** Annie Williams,2018 **It's OK That You're Not OK** Megan Devine,2017-10-01 Challenging conventional wisdom on grief a pioneering therapist offers a new resource for those experiencing loss When a painful loss or life shattering event upends your world here is the first thing to know there is nothing wrong with grief Grief is simply love in its most wild and painful form says Megan Devine It is a natural and sane response to loss So why does our culture treat grief like a disease to be cured as quickly as possible In **It's OK That You're Not OK** Megan Devine offers a profound new approach to both the experience of grief and the way we try to help others who have endured tragedy Having experienced grief from both sides as both a therapist and as a woman who witnessed the accidental drowning of her beloved partner Megan writes with deep insight about the unspoken truths of loss love and healing She debunks the culturally prescribed goal of returning to a normal happy life replacing it with a far healthier middle path one that invites us to build a life alongside grief rather than seeking to overcome it In this compelling and heartfelt book you'll learn Why well meaning advice therapy and spiritual wisdom so often end up making it harder for people in grief How challenging the myths of grief doing away with stages timetables and unrealistic ideals about how grief should unfold allows us to accept grief as a mystery to be honored instead of a problem to solve Practical guidance for managing stress improving sleep and decreasing anxiety without trying to fix your pain How to help the people you love with essays to teach us the best skills checklists and suggestions for supporting and comforting others through the grieving process Many people who have suffered a loss feel judged dismissed and misunderstood by a culture that wants to solve grief Megan writes Grief no more needs a solution than love needs a solution Through stories research life tips and creative and mindfulness based practices she offers a unique guide through an
