Slave Stamp A Story Of Male Domination:

The Novel, Volume 1 Franco Moretti, 2022-04-12 Nearly as global in its ambition and sweep as its subject Franco Moretti's *The Novel* is a watershed event in the understanding of the first truly planetary literary form A translated selection from the epic five volume Italian *Il Romanzo* 2001 2003 *The Novel*'s two volumes are a unified multiauthored reference work containing more than one hundred specially commissioned essays by leading contemporary critics from around the world Providing the first international comparative reassessment of the novel these essential volumes reveal the form in unprecedented depth and breadth as a great cultural social and human phenomenon that stretches from the ancient Greeks to today where modernity itself is unimaginable without the genre By viewing the novel as much more than an aesthetic form this landmark collection demonstrates how the genre has transformed human emotions and behavior and the very perception of reality Historical statistical and formal analyses show the novel as a complex literary system in which new forms proliferate in every period and place Volume 1 History Geography and Culture looks at the novel mostly from the outside treating the transition from oral to written storytelling and the rise of narrative and fictionality and covering the ancient Greek novel the novel in premodern China the early Spanish novel and much else including readings of novels from around the world These books will be essential reading for all students and scholars of literature

[Deliverance from Slavery](#) Dick Boer, 2015-10-14 Delivery from slavery these words taken from a Dutch labour movement song perfectly map onto the Bible's central concern They are also similar to the Torah's key phrase I am YHWH your God who brought you out of Egypt out of the house of bondage Ex 20 2 The words are invoked here to serve as an axiom to be introduced into the modern period The watchword delivery from slavery translates the biblical message of the exodus from slavery into the theory and practice of a modern liberation movement The present work argues that biblical theology is the attempt to update the language of the message It searches for a language that attends to the concerns of today's world while preserving the concerns that originally motivated biblical language

Silent Serial Sensations Barbara Tapa Lupack, 2020-04-15 The first book length study of pioneering and prolific filmmakers Ted and Leo Wharton *Silent Serial Sensations* offers a fascinating account of the dynamic early film industry As Barbara Tapa Lupack demonstrates the Wharton brothers were behind some of the most profitable and influential productions of the era including *The Exploits of Elaine* and *The Mysteries of Myra* which starred such popular performers as Pearl White Irene Castle Francis X Bushman and Lionel Barrymore Working from the independent film studio they established in Ithaca New York Ted and Leo turned their adopted town into Hollywood on Cayuga By interweaving contemporary events and incorporating technological and scientific innovations the Whartons expanded the possibilities of the popular serial motion picture and defined many of its conventions A number of the sensational techniques and character types they introduced are still being employed by directors and producers a century later

Dad Made Dirty Movies Jordan Todorov,Joe Blevins,2020-09-18 Strippers zombies fugitives and jewel thieves These were just some of the characters who inhabited the weird wild films of director Stephen C Apostolof in the 1960s and 1970s But Apostolof s own life was every bit as improbable as the plots of his lurid movies Escaping the clutches of the communists in his native Bulgaria he came to America in 1952 and decided on a whim to reinvent himself as a Hollywood filmmaker right down to the cigars sunglasses and Cadillacs He produced a string of memorable sexploitation classics including the infamous Orgy of the Dead Along the way he married three times fathered five children and forged a personal and professional relationship with the notorious Ed Wood Jr Drawing on rare archival material and interviews with those who knew him best this first biography of Apostolof chronicles the life and career of a cult film legend

Suffragist Migration West after Seneca Falls, 1848-1871 Stephanie Stidham Rogers,2024-03-06 Suffragist Migration West after Seneca Falls 1848 1871 Catharine Paine Blaine by Stephanie Stidham Rogers explores the surprising link between Elizabeth Cady Stanton the Seneca Falls Women s Rights Conference of 1848 and the Women s Suffrage Bill presented at the 1854 Washington State Territorial Legislature It shows how Seattle s first Suffragist educator clothing protestor and activist Catharine Paine Blaine planted the seeds of the Western feminist movement and this book redresses her prior omission as the founder of the University of Washington Catharine drew upon the political tools and discursive skills she acquired during her abolitionist upbringing in the nascent days of Washington State However like many suffragists of her time she rejected Native culture and regarded Native men as competitors for the vote Rogers examines Seattle within the broader context of the Western suffrage column that would only gain similar widespread acceptance in the East in 1885 when Catharine Paine Blaine became the first signer of the Seneca Falls Declaration to legally cast her vote in the City of Seattle Stidham Rogers unveils the unique contributions of Western suffragists in the comparatively liberating frontier context leading to the passage of the Nineteenth Amendment

Domination by Region 4 Ramesh Gampat,2023-03-30 This book argues that Guyana presently operates a system of domestic colonialism DM DM builds on institutions established during imperial colonialism strengthened and expanded since independence in 1966 and regionalization which balkanized the country into ten administrative regions Regionalization is a flexible instrument that enables political and economic control with one strengthening the other further empowering Region 4 where the metropole is located and enhancing the dependency of the nine satellite regions Both political parties exploits regionalization when in power the PPP principally through financial strangulation and discrimination the PNC and its various incarnations via political control Regionalization is the symbol of

domestic colonialism PPP I last six years of its previous regime 2009 to 2014 allocated an annual average of 11.1 percent of public funds to the regions the APNU AFC 14.1 percent from 2015 to 2020 and PPP II the current PPP administration 12.5 percent during its first two years in office Over the fourteen years from 2009 to 2022 the four largest agencies consumed 42.5 percent of total Central Government expenditure Under PPP I these agencies spent 15 percentage points more on capital costs than they did under APNU AFC However under the latter government they spent more than 10 percentage points on the amorphous category Other Charges These anomalies are hard to explain because there were no functional enhancements or reach of coverage by these agencies Incredibly the Ministry of Finance MoF the largest agency for all but one year spent 46.1 percent of what the Ministry of Public Works incurred on public infrastructure for the entire country An important avenue of political patronage is the employment of contract and temporary workers who are hired outside of the public service legislative framework These workers comprised half of the MoF's workforce over the fourteen year period and the last six years of PPP I for the Ministry of Health that figure is around 37.0 percent for both periods Employment patronage rose during APNU AFC's term of office to 53.8 percent in the MoF and to 41.8 percent in the MoH Employment patronage at these two big agencies was lower during PPP I than the six years of the APNU AFC Government Patronage employment is considerably lower with the PPP II than all previous regimes The strategic deviation is explained by the rise of three separate categories of low and unskilled workers who account for 48.5 percent and 57.7 percent of workforce of the MoF and the MoH respectively These figures are more than 10 percentage points larger than those of all previous administrations In effect the PPP doles out patronage away from hiring outside of the public service legislative framework to hiring within it Not only has the PPP legalized patronage it has also increased it significantly

Invoking Slavery in the Eighteenth-Century British Imagination Srividhya Swaminathan, Adam R. Beach, 2016-05-06 In the eighteenth century audiences in Great Britain understood the term slavery to refer to a range of physical and metaphysical conditions beyond the transatlantic slave trade Literary representations of slavery encompassed tales of Barbary captivity the exotic slaving practices of the Ottoman Empire the political enslavement practiced by government or church and even the harsh life of servants under a cruel master Arguing that literary and cultural studies have focused too narrowly on slavery as a term that refers almost exclusively to the race based chattel enslavement of sub Saharan Africans transported to the New World the contributors suggest that these analyses foreclose deeper discussion of other associations of the term They suggest that the term slavery became a powerful rhetorical device for helping British audiences gain a new perspective on their own position with respect to their government and the global sphere Far from eliding the real and important differences between slave systems operating in the Atlantic world this collection is a starting point for understanding how slavery as a concept came to encompass many forms of unfree labor and metaphorical bondage precisely because of the power of association
