Slave Traders by Invitation Finn Fuglestad, 2018-07-01 The Slave Coast situated in what is now the West African state of Benin was the epicentre of the Atlantic Slave Trade But it was also an inhospitable surf ridden coastline subject to crashing breakers and devoid of permanent human settlement Nor was it easily accessible from the interior due to a lagoon which ran parallel to the coast The local inhabitants were not only sheltered against incursions from the sea but were also locked off from it Yet paradoxically it was this coastline that witnessed a thriving long term commercial relation ship between

Europeans and Africans based on the trans Atlantic slave trade How did it come about How was it all organised And how did the locals react to the opportunities these new trading relations offered them The Kingdom of Dahomey is usually cited as the Slave Coast s archetypical slave raiding and slave trading polity An inland realm it was a latecomer to the slave trade and simply incorporated a pre existing system by dint of military prowess which ultimately was to prove radically counterproductive Fuglestad s book seeks to explain the Dahomean anomaly and its impact on the Slave Coast s societies and polities Historical Manuscripts Heritage Auction Galleries (Dallas, Tex.),2008
