The Delineator R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1920 **Cuckoo** S.D. Breen, 2011-02-15 Cuckoos are parasites they can't help themselves It's their nature and their fate Slyly abandoned in another bird's nest the cuckoo chick is an outrageous impostor Its survival depends on the ruthless elimination of its siblings frequently and heedlessly working its unsuspecting foster parents to death Growing up in Highbury in the early 90s Pat feels monstrous and out of place A decade earlier three year old nephew Liam drowned in the bath No one knows exactly what happened Pat a few months older than Liam was in the bath with him but can't remember a thing Indeed when you carry on playing with your nephew long after the incident it's hard to believe they are even dead until someone points to the gravestone And when you find out that your parents weren't who you thought they were the connection to the cuckoo seems complete But there's worse to come villainy prostitution murder madness and moving to Spurs turf CUCKOO is the dark and funny story of a young person coming to terms with a truly terrible legacy *Legal Intelligencer*, 1858 **Unwrapped** Jane Elmore, 2023-09-13 Of all the thoughts racing through my mind three things stood out First Seth used to be a mummy Second we were connected eternally beyond our control And third he literally took my breath away Rose Thorne has lived in Boone North Carolina her whole uneventful life After a family member's passing she receives a gift from beyond the grave Intrigued she handles it accidentally sparking a connection to Seth Ember thousands of miles away When Seth and his family move to Boone his desire for Rose flourishes Can he preserve his way of life or be erased from history never to be with Rose again Devour this inseparable love story as it comes unwrapped and transforms into an enduring entanglement Mysterious and romantic Unwrapped is brimming with unfurling passion and intrigue This is a love story that will leave you breathless **Old Scars, New Wounds** Kelly Scharp, 2020-09-20 Living in the Empire in the poorest territory Montibus Sophia learned from an early age that life was hard and brutal She also learned that the Empire was not a just government and doled out harsh punishments even for the smallest crimes Daydreaming helped to keep Sophia's spirits up during the Harvest season while she was at her Uncle Lee's farm The thought of freedom was always in her mind but the reality of the situation was that she was never going to be free She thought there has to be something more than this hard life When Sophia and her best friend Tim learn about a new decree that was coming to pass the thought of freedom escaped her mind Sophia finds out that she is one of the children that was sold and she is faced with a dilemma fight or roll over She decides to fight not only for herself but for the other children that are with her On this journey to find land beyond the Empire Sophia meets the mysterious Micah is he who he says he is Sophia learns about love betrayal and sacrifice for others She discovers an inner strength that she never knew existed until now With this new found strength Sophia won't back down without a fight fighting for the hope of a better life **The Informer** Liam O'Flaherty, 2025-01-30T22:51:24Z In 1920s Dublin the Irish Civil War has just come to a close Gypo Nolan a strong brutish and dull witted ex policeman and his childhood friend Frankie McPhillip are both

members of a revolutionary organization until Gypo betrays Frankie by informing on him to the police to collect a reward. Frankie is promptly killed in a shootout and Gypo soon finds himself the subject of an investigation and manhunt as the revolutionary organization mobilizes its soldiers and the working class to uncover the traitor and bring him to justice. O'Flaherty was a Marxist and a member of both the Industrial Workers of the World and the U.S. Communist Party, and the novel's foundation in the struggles of the working class and revolutionary politics reflect this background. It's also rich in religious symbolism with Gypo portrayed as a Judas to the revolution. *The Informer* was a critical and commercial success, launching O'Flaherty's literary career. It went on to be adapted into a 1935 film of the same name that won four Academy awards. This book is part of the Standard Ebooks project which produces free public domain ebooks.

The Trust Ronald H. Balson, 2017-09-19. A thrilling action-filled suspense novel. Those who loved Balson's other books like *Once We Were Brothers* and *Karolina's Twins* will love this latest entry. The Huffington Post: The Trust from Ronald H. Balson, the international bestselling author of *Once We Were Brothers*, finds private investigator Liam Taggart returning to his childhood home for an uncle's funeral only to discover his death might not have been natural. When his uncle dies, Liam Taggart reluctantly returns to his childhood home in Northern Ireland for the funeral, a home he left years ago after a bitter confrontation with his family never to look back. But when he arrives, Liam learns that not only was his uncle shot to death but that he'd anticipated his own murder. In an astonishing last will and testament, Uncle Fergus has left his entire estate to a secret trust directing that no distributions be made to any person until the killer is found. Did Fergus know but refuse to name his killer? Was this a crime of revenge, a vendetta leftover from Northern Ireland's bloody sectarian war? After all, the Taggarts were deeply involved in the IRA. Or is it possible that the killer is a family member seeking Fergus's estate? Otherwise, why postpone distributions to the heirs? Most menacingly, does the killer now have his sights on other family members? As his investigation draws Liam farther and farther into the past he has abandoned, he realizes he is forced to reopen doors long ago shut and locked. Now accepting the appointment as sole trustee of the Fergus Taggart Trust, Liam realizes he has stepped into the center of a firestorm.
