*The Harvest Is Past, The Summer Is Ended, And We Are Not Saved!* , Skeptic in the House of God James L. Kelley,1997 James L. Kelley a skeptic about religion writes with insight and humor of his life as a member of St Mark s an Episcopal church that welcomes doubters without pressuring them to compromise their intellectual integrity When Kelley first visited the church he was well into his forties and searching for a respite from urban malaise At the same time he found himself filled with disquieting questions How could he reconcile his convictions with the central purpose of the church to worship a God he didn t believe in Could he say the prayers and sing the hymns while remaining an honest skeptic After fifteen years of full participation in a church that is open not only to skeptics but also to gay men and lesbians blacks and Jews where members are invited to critique Sunday sermons and where hymns are rewritten to reflect feminist concerns Kelley found that his agnosticism

remained but his skepticism about church participation had disappeared Modern urban life can be a sterile isolating experience yet in St Mark s Kelley discovered a place of vibrant community honest inquiry and support over the hard places in life     *Positive Actions Speak Louder Than Words* Barbara J.
