## Jesus Calms the Storm at the Sea

*Matthew 8:24-34, Mark 4:35-41, John 6:16-21*

Suddenly a violent storm came upon the sea so that the boat was being swamped by waves, but he was asleep. They came and woke him, saying, "Lord, save us! We are perishing!"

He said to them,  
"Why are you terrified, O you of little faith?"

Then Jesus got up,  
rebuked the storm and the sea,  
and there was a great calm.

**Bible Stories & Crafts: Animals** Mary Tucker, 2005-10 *Jesus & His Kingdom of Equals* Cheryl Gibbs Binkley, Jane Mitchell McKeel, 2001 Jesus and his Kingdom of Equals introduces students in grades 4 to 7 to an interpretation of the historical Jesus based on contemporary biblical research principally from the Jesus Seminar. In thirty-three weekly lessons students experience an unfolding narrative of a Jewish reformer who saw through the hypocrisy and elitism of first-century Roman Palestine. This itinerant sage brought a message of affirmation and egalitarianism to oppressed and powerless Galileans and described a kingdom of love not in the future but already present in the hearts of people. Drama simulations, crafts including clay and weaving, songs, social service initiatives, and other creative hands-on activities reinforce values concerning such teachings as respect for all, sharing worldly goods, conflict resolution, friendship, and forgiveness.

Life application questions placed on each page can be used to help children grasp how this Bible story relates to the storms in their lives and the powerful help they can receive from Jesus. **Reading the Gospels Today** Stanley E. Porter, 2004 As ancient documents, the New Testament Gospels can seem distant from contemporary life or irrelevant to modern society. Further complicating the task of reading the Gospels is the way they seem to introduce differing, if not competing, pictures of Jesus. *Reading the Gospels Today* is meant to help Bible readers understand and move beyond the difficulties involved in interpreting Scripture in our current context. In these insightful studies, several biblical scholars explore the content of the Gospels while also discussing how to read these writings in relation to each other and in terms of today's world. Some chapters consider issues that vex Gospel criticism; others look at particular texts or Synoptic themes; still others demonstrate how one's immediate interpretive context helps to raise the issues and shape the answers that are found when we read the Gospels. Well-organized, thoughtfully written, and widely accessible, this volume will serve to draw readers into the exciting field of contemporary Gospel study.
