Sky Of Shadows:

The Sky's Legacy Angel Rose,2011-10-11 It hadn't seen such a peaceful time in nearly five centuries but peace wasn't always the best frame of mind for all of the creatures of the world Doswarn a man of shadows and lies had been lying in wait in the Shadowlands for decades waiting for a sign Rayne DeSouza loved her younger sister with all of her heart or what she could claim to have of a heart She was the darkest gypsy a man could have the misfortune of meeting When Doswarn arrived with an offer she had been waiting her entire life to hear how could she refuse Analysa DeSouza was as opposite from her sister as a girl could get She was bright and fun loving despite what her sister had raised her to believe when the Shadowman arrived and whisked Rayne away into darkness Analysa was left with a terrible sense of foreboding and doom Can Analysa unravel the mysteries of their past before Doswarn's evil plot is completed Could she pull her sister out of the Darkness or would she have to embrace her destiny with the help of her most loyal companions *Shadows in My Life*
