Sky Tv Guide Uk:

Television at the Crossroads G. Wedell, B. Luckham, 2001-06-11 Television had until recently a social and cultural purpose The BBC and to a lesser extent ITV and Channel 4 were committed by the legal instruments establishing them to develop and maintain these purposes With the enlargement of the range of choices for viewers by digital television and the provision of access to cable and satellite TV and the Internet the role of the terrestrial television channels is being diluted The authors examine the effects of this and consider whether anything can be done to maintain the standards and quality of television at a time of unlimited competition

Polasek,2020-01-15 The most comprehensive reference text of theoretical and historical discourse on the biopic film The biopic often viewed as the most reviled of all film genres traces its origins to the early silent era over a century ago Receiving little critical attention biopics are regularly dismissed as superficial formulaic and disrespectful of history Film critics literary scholars and historians tend to believe that biopics should be artistic yet accurate true to life representations of their subjects Moviegoing audiences however do not seem to hold similar views biopics continue to be popular commercially viable films Even the genre s most ardent detractors will admit that these films are often very watchable particularly due to the performance of the lead actor It is increasingly common for stars of biographical films to garner critical praise and awards driving a growing interest in scholarship in the genre *A Companion to the Biopic* is the first global and authoritative reference on the subject Offering theoretical historical thematic and performance based approaches this unique volume brings together the work of top scholars to discuss the coverage of the lives of authors politicians royalty criminals and pop stars through the biopic film Chapters explore evolving attitudes and divergent perspectives on the genre with topics such as the connections between biopics and literary melodramas the influence financial concerns have on aesthetic social or moral principles the merger of historical narratives with Hollywood biographies stereotypes and criticisms of the biopic genre and more This volume Provides a systematic in depth analysis of the biopic and considers how the choice of historical subject reflects contemporary issues Places emphasis on films that portray race and gender issues Explores the uneven boundaries of the genre by addressing what is and is not a biopic as well as the ways in which films simultaneously embrace and defy historical authenticity Examines the distinction between reality and the real in biographical films Offers a chronological survey of biopics from the beginning of the 20th century *A Companion to the Biopic* is a valuable resource for researchers scholars and students of history film studies and English literature as well as those in disciplines that examine interpretations of historical figures *How to Read a Film Fourth Edition* James Monaco,2011-05-01 Richard Gilman referred to *How to Read a Film* as simply the best single work of its kind And Janet Maslin in *The New York Times Book Review* marveled at James Monaco s ability to collect an enormous amount of useful information and assemble it in an exhilaratingly simple and systematic way Indeed since its original publication in 1977 this hugely popular book has become the definitive source on film and media Now James Monaco offers a special anniversary edition of his classic work featuring a new preface and several new sections including an Essential Library One Hundred Books About Film and Media You Should Read and One Hundred Films You Should See As in previous editions Monaco once again looks at film from many vantage points as both art and craft sensibility and science tradition and technology After examining film s close relation to other narrative media such as the novel painting photography television

and even music the book discusses the elements necessary to understand how films convey meaning and more importantly how we can best discern all that a film is attempting to communicate In addition Monaco stresses the still evolving digital context of film throughout one of the new sections looks at the untrustworthy nature of digital images and sound and his chapter on multimedia brings media criticism into the twenty first century with a thorough discussion of topics like virtual reality cyberspace and the proximity of both to film With hundreds of illustrative black and white film stills and diagrams How to Read a Film is an indispensable addition to the library of everyone who loves the cinema and wants to understand it better

Embedded Enterprise and Social Capital Simon Leonard,2017-11-22 This title was first published in 2002 The concept of embeddedness refers to the social construction of inter firm relationships and the enmeshing of economic relationships within broader social structures and relationships in particular places Previous research has suggested embedding is the best way to generate local growth and social capital and has focused on SMEs in Europe and North America although the existing model is being more widely adopted now This volume is the first to examine the complex processes of embedding in this wider context Bringing together a broad range of case studies from the developed and developing world which address the nature of embeddedness from various perspectives it not only questions the universality of the current model and the policy initiatives it has spawned but also provides a much wider understanding of embeddedness It does so by discussing the social dimensions more fully and by throwing light on the spatial and temporal ambiguity of the concept and its inadequate treatment of power
