Eva Thorne Lorel Clayton, 2021-10-18 Fun clever fantasy with an epic ending I hated the late shift I hated the morning shift too If only I could make a living doing something I enjoyed like yelling and intimidating people The surly Eva Thorne is a born detective when she's not playing the femme fatale but it takes her brother's murder to set her on a hunt for clues What she discovers brings her up against a powerful slave trading cartel dark gods and worst of all her twin sister In a city of elvish masters and matriarchal dwarves where humans have no rights the only people on her side are an illegally freed slave a senile nanny and an ex almost boyfriend But even when she nearly loses her job and almost loses her head in a sword fight on the same night she isn't deterred It's when the nanny goes missing that she really starts to worry For the first time the first 4 books of the Eva Thorne series are available in a digital box set at the best price ever The Eva Thorne series begins with a murder and culminates in the war that will end the world Twisting the norms of high fantasy mystery and steampunk into a witty mixture of humor and romance this series is an action packed adventure worth taking Magic and machines can't stand against the God of Death and humans are on the run from the god's invasion Highcrowne is the only refuge but that means living in the Outskirts of an ancient city ruled by Avian mages indifferent dwarves and elves who'd prefer to see humans as their slaves Eva is a relentless kick ass heroine unafraid of confronting kings monsters or gods but she is a Thorne the worst of the hated Solhan race Her family summoned the Dead God into the world to grant them ultimate power and secret parts of her desire power as well The battle between her dark Solhan nature and her desire to leave behind her family's legacy of necromancy and tyranny is what drives her Never one to meet others expectations she fights fate at every turn But as she is forced to make one difficult decision after another she wonders if anyone can escape their destiny A fantastical twist on mystery brimming with action packed adventure and a sense of clever fun Elizabeth Spann Craig Bestselling Mystery Author I picked this up and just could not put it down until I finished If you like Mystery Romance and Fantasy this book has it all Terry's Book Addiction An enjoyable fantastic read Pearl 1 Best Goodreads Reviewer [Athenaeum and Literary Chronicle](#) , 1865 *The Publishers' Circular and Booksellers' Record* , 1908 **Hudibras, in three parts ...
