 Byzantine art formed in the early centuries of Christianity they were not petrified within a time warp Subtle changes and
 refinements in Byzantine theology did find reflection in changes to the iconographic and stylistic conventions of Byzantine art
 This is a brilliant and innovative book in which Dr Anita Strezova argues that a religious movement called Hesychasm
 especially as espoused by the great Athonite monk St Gregory Palamas had a profound impact on the iconography and style
 of Byzantine art including that of the Slav diaspora of the late Byzantine period While many have been attracted to speculate
 on such a connection none until now has embarked on proving such a nexus The main stumbling blocks have included the
 need for a comprehensive knowledge of Byzantine theology a training in art history especially iconological semiotic and
 formalist methodologies extensive fieldwork in Macedonia Bulgaria Serbia Greece Turkey and Russia and a working
 knowledge of Greek Old Church Slavonic Macedonian Russian Serbian Latin as well as several modern European languages
 French German Russian and Italian These are some of the skills which Dr Strezova has brought to her topic Professor Sasha

 Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense
 public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these
 incidents have made international headlines When New Religious Movements make the news it s usually because of some
 violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for
 anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new
 religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then
 moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents
 involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven s Gate suicides But the
 book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of
 research by scholars of New Religious Movements **Dogmatic Theology ...** Joseph Pohle, 1911 *Congressional Record*
