Ted Peters, Martin E. Marty

Sin Boldly A Field Guide For Grace Cathleen Falsani:

Sin Boldly Cathleen Falsani, 2008-09-23 Grace is everywhere all around us all of the time We only need the ears to hear it and the eyes to see it It is much easier and perhaps more helpful to describe what grace feels like through stories and images that illustrate the varied ways grace is experienced when encountered in the wild than it is to attempt to define it definitively to trap it and cage it Maybe that's why Jesus was so fond of parables nothing describes the indescribable like a memorable yarn Sin Boldly A Field Guide for Grace is a collection of stories about the author's experiences with grace in ridiculous moments and in those that seem trivial but are anything but in wacky adventures and quiet walks with family and with strangers in bars nightclubs the occasional house of worship and in her own home and through conversations with people some famous and some not who have introduced her to grace in new ways that in turn have shaped her faith and the way she tries to live it

Sin Boldly! Ted Peters, Martin E. Marty, 2015 Can faith as trusting God make a difference Absolutely by relieving our anxiety over self justification and the need to scapegoat others When we discover we don't justify ourselves because God has justified us we become free What Sin Boldly points to is the presence of the crucified and living Christ in the human soul placed there by the Holy Spirit And this becomes transformative Sin Boldly provides an experiential analysis of the contrast between self justification and justification by God Those among us with fragile souls are anxious and we shore up our anxiety with walls of self justification that victimize those whom we scapegoat Those among us with broken souls have lost the very moral universe that makes any kind of justification possible and this usually leads to anomie and suicide We must pose the question how can the gospel of grace provide transformation for both fragile and broken souls After an exposition of the Joint Declaration on the Doctrine of Justification this book proposes the following answer trusting in the God of grace relieves anxiety and provides a divine vocation that transcends our moral universe with the promise of forgiveness renewal and resurrection

MOMumental Jennifer Grant, 2012-05-01 Celebrating the joyous art of being a mother MOMumental offers an inspiring honest and infectiously humorous look at the perils and pleasures of raising a family in the real world Once a devout believer in the myth of the perfect mother author Jennifer Grant now has a more realistic yet still upbeat view of parenting and families Instead of focusing on creating a conflict free home raising picture perfect kids and being an ideal mother Grant offers a wiser and more down to earth way to love your children that makes room for mistakes and imperfections She says I share stories about family life and how I've come to appreciate the mess of it I am grateful for my own happy idiosyncratic and imperfect family MOMumental is one mother's account of the unpredictable creative sometimes hilarious and always rewarding process of raising a family It's filled with funny and poignant stories from her everyday life a life that mothers everywhere can identify with MOMumental is a book about parenting family and intentional relationships for readers who normally avoid such fare like an overzealous street evangelist Raises hand Its wit and wisdom completely enraptured me A delightful and surprising gift to us all Cathleen Falsani award winning journalist and author

Leader Lies Matt Wade, 2014-08-21 Lying is easier isn't it In *Leader Lies* Matt Wade leans into the deep reasoning as to why pastors and church leaders lie about things that really don't matter Of course lying always matters but the root cause of lying goes much deeper than you think What if lying about life's situations reveals a gaping hole in our character What if lying is more than trying to get out of an undesirable situation What if fear actually drives our proclivity to lie Matt uncovers these issues with humor but deals a punch to the soul with biblical truth Be sure that after reading this book you will reconsider the ease of lying and lean into a spirit of truth even when it's uncomfortable It's truth time **O Me of Little Faith** Jason Boyett, 2010 *O Me of Little Faith* is a brutally honest frequently hilarious look at the struggles of a self-confessed spiritual weakling Jason Boyett invites you to ask the hard questions and remain hopeful as he examines how you doubt why you doubt and what if anything should be done about it *The Road Away from God* Jonathan Martin, 2022-06-07 It's no easy journey disentangling the good news of the gospel from the toxic theologies that have rendered Jesus unrecognizable It's no wonder the church has sent many walking In *The Road Away from God* Jonathan Martin reimagines Luke's story of two disillusioned disciples walking the Emmaus road away from the holy city where they had watched their hope die a gruesome death right before their eyes For anyone who is feeling their faith unravel reckoning with religious trauma or walking the long road of deconstruction Martin speaks compassionate hope into the journey of today's disillusioned disciples revealing that the resurrected Christ is profoundly present with them even on what seems to be the road away from God With a pastor's heart and poet's touch as Rachel Held Evans once wrote of Martin this is a book to help you feel seen in your spiritual journey and all its complexities and to find resurrection even where you least expect it **The Case for Grace** Lee Strobel, 2015-02-24 Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace Along the way you'll find the undeniable evidence of grace in the true stories of racists addicts and even murderers who have found new hope and purpose all through the redemptive power of God's amazing grace In *The Case for Grace* Lee offers an accessible explanation of the theology of God's grace shown through the incredible dramatic can't-put-it-down stories of people whose lives were changed by the gift of grace true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the how and why behind God's amazing grace Each story that Strobel shares in *The Case for Grace* contributes a piece to the puzzle of grace showing us How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds and even to forgive ourselves Through it all you will be encouraged as you see how God's grace can revolutionize your life starting today **If the Bough Breaks . . .** Danielle Hensley, 2024-07-08 The
