Cinderella Trilogy are available in one set Plus a bonus novella Hot Off The Press The Anti Cinderella How many girls can say their first kiss was with a prince in the British royal family I was fourteen and he was sixteen and yes it was magical But I didn't even think about it or Nicky Windsor for the next ten years until fate brought us back together again Now everything has spun out of control The whole world seems to be watching me wanting to see some kind of modern Cinderella story But trust me I'm no man's princess I'm more comfortable in tennis shoes than in a tiara more likely to rock a bucket than a ball gown and more liable to fall on my face than to pull off a graceful wave The only thing that keeps me from running away and hiding is Nicky He's all I've ever wanted in a man hot hunky and head over heels in love with me I think I feel the same way I think I want to be with him forever The Anti Cinderella Takes London Falling in love with a prince wasn't something I planned When I reconnected with the first guy I ever kissed I never dreamed I'd end up moving to England to be closer to him But Nicky and I are in love and living together was the next logical step But dating royalty is even more challenging now that I'm in London Every move I make every word I say is under the microscope Becoming part of Nicky's family while staying true to who I am isn't easy Nicky makes everything worthwhile The hours when we're alone together are paradise And if the press and the pressure are the price I have to pay for him I'll choose Nicky every single time After all London's just another town Right The Anti Cinderella Conquers the World The royal wedding was only the beginning of my happy ending I'm now a full fledged member of the royal family That means all my problems are over doesn't it Apparently not Even though I'm now a princess by marriage and a duchess by title I'm still the same Kyra who's prone to putting her sneaker clad foot into her mouth It's a good thing Nicky loves me Our work is thriving and our marriage is strong Together we can tackle any challenge But it's not until our peaceful existence is threatened that I realize how precious it is And they lived happily ever after didn't they AND a bonus novella Hot Off the Press an Anti Cinderella Chronicles Romance Sophie Kent loves her new job as press liaison for Kyra Duncan fiancée of Britain's Prince Nicholas But there's one downside and it comes in the form of a very sexy very annoying American reporter named Garrett Smith He's determined to make life more difficult and so far he's succeeding But these two just might discover their chemistry is stronger than their combat **Catch of a Lifetime** LuAnn

McLane,2012-01-03 Top Chicago chef Jessica Robinson is back in Cricket Creek and making her aunt's diner the go to place for comfy gourmet fare Former major leaguer Ty McKenna is no stranger to Jessica's cooking At the Chicago hotspot where she worked he was a regular with a different girl on his arm every night Now he's the manager for the Cricket Creek Cougars And convincing the mouthwatering chef that's a one woman man may be harder than getting his team ready for opening day

Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in America today **Naughty Temptations** Nicole Austin,Berengaria Brown,Katherine Kingston,N.J.
