

A shirtless, muscular man is shown from the waist up, leaning forward with his head turned back to look over his shoulder. He is wearing light-colored, horizontally striped athletic pants. The background is a dark, swirling green with a glowing, ethereal light source on the right side, creating a dramatic and mysterious atmosphere.

**Feeding Iran** Rose Wellman, 2021-06-15 Since Iran s 1979 Revolution the imperative to create and protect the inner purity of family and nation in the face of outside spiritual corruption has been a driving force in national politics Through extensive fieldwork Rose Wellman examines how Basiji families as members of Iran s voluntary paramilitary organization are encountering enacting and challenging this imperative Her ethnography reveals how families and state elites are employing blood food and prayer in commemorations for martyrs in Islamic national rituals to create citizens who embody familial piety purity and closeness to God Feeding Iran provides a rare and humanistic account of religion and family life in the post revolutionary Islamic Republic that examines how home life and everyday piety are linked to state power

**God Laughs** Charles Billingsley, 2011-06 Did you know that God sings There are many things God does that you may not have thought about ever before and the more we know the better we can respond to Him God sees God winks God hears He cries He waits and He runs He is jealous and gets angry He smiles frowns and laughs Reflecting on the attributes and activities of God is the best way to become like Him In God Laughs Elmer Towns and Charles Billingsley invite the reader to deeply consider God s character and qualities They contend that it s only as we get to know Him that we can become more like Him and it s only when we glimpse God for who He is that we can worship Him in Spirit and in truth Readers are challenged to dig deeply into Scripture where God reveals that He has a heart and a nose and that He whistles

**Reimagining the Sacred** Richard Kearney, Jens Zimmermann, 2015-12-15 Contemporary conversations about religion and culture are framed by two reductive definitions of secularity In one multiple faiths and nonfaiths coexist free from a dominant belief in God In the other we deny the sacred altogether and exclude religion from rational thought and behavior But is there a third way for those who wish to rediscover the sacred in a skeptical society What kind of faith if any

can be proclaimed after the ravages of the Holocaust and the many religion based terrors since Richard Kearney explores these questions with a host of philosophers known for their inclusive forward thinking work on the intersection of secularism politics and religion An interreligious dialogue that refuses to paper over religious difference these conversations locate the sacred within secular society and affirm a positive role for religion in human reflection and action Drawing on his own philosophical formulations literary analysis and personal interreligious experiences Kearney develops through these engagements a basic gesture of hospitality for approaching the question of God His work facilitates a fresh encounter with our best known voices in continental philosophy and their views on issues of importance to all spiritually minded individuals and skeptics how to reconcile God s goodness with human evil how to believe in both God and natural science how to talk about God without indulging in fundamentalist rhetoric and how to balance God s sovereignty with God s love

The Concept of Person in Judaism, Christianity and Islam Georges Tamer, 2023-11-06 The sixth volume of the series Key Concepts of Interreligious Discourses investigates the roots of the concept of person in Judaism Christianity and Islam and its relevance for the present time The concept of person lies at the core of central ideas in the modern world such as the value and development of personal identity the sanctity of human person and the human rights based on that In societies that are shaped by a long Christian tradition these ideas are associated often with the belief in the creation of man in the image of God But although Judaism shares with Christianity the same Biblical texts about the creation of man and also the Qur n knows Adam as the first human being created by God and his representative on earth the focus on the concept of person is in each one of these religions a different one So the crucial question is how did the concept of person evolve in Judaism Christianity and Islam out of the concept of human being What are the special features of personhood in each one of these traditions The volume presents the concept of person in its different aspects as anchored in Judaism Christianity and Islam It unfolds commonalities and differences between the three monotheistic religions as well as the manifold discourses about the meaning of person within these three religions

**Bring Back the Bureaucrats** John DiIulio, 2014-09-02 In Bring Back the Bureaucrats John J DiIulio Jr one of America s most respected political scientists and an adviser to presidents in both parties summons the facts and statistics to show us how America s big government works and why reforms that include adding a million more people to the federal workforce by 2035 might help to slow government s growth while improving its performance Starting from the underreported reality that the size of the federal workforce hasn t increased since the early 1960s even though the federal budget has skyrocketed The number of federal programs has ballooned Bring Back the Bureaucrats tells us what our elected leaders won t there are not enough federal workers to work for our democracy effectively DiIulio reveals that the government in America is Leviathan by Proxy a grotesque form of debt financed big government that guarantees terrible government Washington relies on state and local governments for profit firms and nonprofit organizations to implement federal policies and programs Big city mayors defense industry contractors nonprofit

executives and other national proxies lobby incessantly for more federal spending This proxy system chokes on chores such as cleaning up toxic waste sites caring for hospitalized veterans collecting taxes handling plutonium and policing more than 100 billion annually in improper payments The lack of competent well trained federal civil servants resulted in the failed federal response to Hurricane Katrina and the troubled launch of Obamacare s health exchanges Bring Back the Bureaucrats is further distinguished by the presence of E J Dionne Jr and Charles Murray two of the most astute voices from the political left and right respectively who offer their candid responses to Dilulio at the end of the book *Lord Shrikrishna the Revered Politician* Anant Damodar Athawale,2003 *Country Life* ,1901 **Country Life Illustrated** ,1901 **Addicted** Charlotte Featherstone,2012-07-01 Friends since childhood Anais Darnby and Lindsay Markham have long harboured a secret passion for one another When they finally confess their love their future together seems assured sealed with their searing embrace But when a debauched Lindsay is seduced by a scheming socialite a devastated Anais seeks refuge in another man s bed while Lindsay retreats to the exotic East There he is seduced again this time by the alluring red smoke and sinister beauty of opium Back home Lindsay s addiction is fed by the vogue for all things Oriental especially its sensual pleasures in fashionable London society In his lucid moments Lindsay still lusts after Anais who can neither allow him near nor forget his smouldering touch Tortured by two obsessions opium and Anais Lindsay must ultimately decide which is the one he truly cannot live without Addicted to sin Monica James,2016 *Epilogue* CJ.
