Sir Gawain And The Green Knight A New Verse Translation

John C. Farrell

Sir Gawain And The Green Knight A New Verse Translation:

Sir Gawain and the Green Knight, 2008-11-17 Following in the tradition of Seamus Heaney's reworking of Beowulf Armitage one of England's leading poets has produced a virtuoso new translation of the 600 year old Arthurian story with both clarity and verve *Sir Gawain and the Green Knight* Marie Borroff, 1967 *Sir Gawain and the Green Knight*, 1967 King Arthur's Knights of the Round Table are in the middle of a Christmas feast when a green skinned knight offers them a simple but deadly challenge A challenge the brave Sir Gawain quickly and fatefully accepts *Sir Gawain and the Green Knight* John Ridland, 2016-08-22 Sir Gawain and the Green Knight by the anonymous Gawain Poet or Pearl Poet is like Beowulf one of the greatest classics of English literature Hailed as the finest Arthurian romance this technically brilliant tale of enchantment faith temptation and chivalry is tautly constructed with a wonderfully rich vocabulary and vivid language that blends sophisticated atmosphere with psychological depth John Ridland's new Modern English translation unlike most presentations is complete covering every passage and word of the Middle English Northwest Midland dialect original with the same line numbering contents and meaning His is the only version written in a familiar modern meter pleasurable to modern ears yet retaining the spirit of repetition and alliteration of the medieval original And Dr Ridland's introduction and notes are enlightening This translation is a must have for unlocking all the pleasures and delights of the original classic PRAISE FOR JOHN RIDLAND'S TRANSLATION With his loving rendition of a great classic into vigorous metrical lines John Ridland has given Sir Gawain and the Green Knight a fresh lease on life I've seen several other versions of this masterpiece but none so engagingly readable as Ridland's His preface too is useful and illuminating Here is a book to enjoy right now and to cherish forever X J Kennedy John Ridland gives us a recognizably English Gawain and a very pleasurable one at that The language is ours It is slightly elevated as befits a work so finely crafted but only enough to demand our attention Originally written in the same alliterative verse as Beowulf Sir Gawain and the Green Knight was archaic in its own day now over six hundred years later alliterative verse can be as inaccessible as the pentatonic harp tunes that apparently accompanied it Ridland gives the poem a long loose line that sings in the lyrical passages creeps in the spooky ones and cavorts in the comic ones Just as important the densely mythic ethos fully intact enriches every word Richard Wakefield Panoramas of banqueting and hunting closely observed rituals of dressing arming and game preparation and rich descriptions of landscape and weather Ridland's translation presents these in all their delightful over the top particularity Maryann Corbett from the foreword The language in which the consummate poet and translator John Ridland serves up this delicious story in verse is exactly what it deserves The descriptions are exuberant the narrative flows and exhilarates like the wine at the courts we're asked to imagine and the exchanges between complex characters so subtly flavored by intelligent diplomacy that it makes the dialogue of much current fiction seem by contrast like a six pack on the front stoop Read this book I suspect that like all enchantments it shifts and assumes different forms to different eyes But I do guarantee surprises and inexhaustible delight

Rhina P Espaillat **Sir Gawain and the Green Knight** William Stanley Merwin, 2002 A splendid new translation of the classic Arthurian tale of enchantment adventure and romance presented alongside the original Middle English text It is the height of Christmas and New Year's revelry when an enormous knight with brilliant green clothes and skin descends upon King Arthur's court He presents a sinister challenge he will endure a blow of the axe to his neck without offering any resistance but whoever gives the blow must promise to take the same in exactly a year and a day's time The young Sir Gawain quickly rises to the challenge and the poem tells of the adventures he finds an almost irresistible seduction shockingly brutal hunts and terrifyingly powerful villains as he endeavors to fulfill his promise Capturing the pace impact and richly alliterative language of the original text W S Merwin has imparted a new immediacy to a spellbinding narrative written centuries ago by a poet whose name is now unknown lost to time Of the Green Knight Merwin notes in his foreword We seem to recognize him his splendor the awe that surrounds him his menace and his grace without being able to place him We will never know who the Green Knight is except in our own response to him *Sir Gawain and the Green Knight* Keith Harrison, Helen Cooper, 1998 The finest translation in and for our time Kevin Crossley Holland *Sir Gawain and The Green Knight* with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle Originating from the north west midlands of England it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings brought together by the anonymous 14th century poet His telling comprehends a great variety of moods and modes from the stark realism of the hunt scenes to the delicious and dangerous bedroom encounters between Lady Bercilak and Gawain from moments of pure lyric beauty when he evokes the English countryside in all its seasons to authorial asides that are full of irony and puckish humour This new verse translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity *Sir Gawain and the Green Knight* Marie Borroff, Laura L. Howes, 2010 Presents a scholarly translation an essay on the metrical form translator's notes and explanatory annotations of the canonical Arthurian romance **Sir Gawain and the Green Knight** Michael Smith, 2018-07-26 It is New Year at Camelot and a mysterious green knight appears at King Arthur's court Challenging the knights of the Round Table to a Christmas game he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike The condition is that his challenger must seek him out in a year and a day to have the deed returned Sir Gawain accepts and decapitates the stranger only to see him pick up his head walk out of the hall and ride away on his horse Now Gawain must complete his part of the bargain search for his foe and confront what seems his doom Michael Smith's translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history culture and architecture He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience while revealing the poem's historic and literary context The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the

author's own linocut prints each meticulously researched for contemporary accuracy This is an exciting new edition that will appeal both to students of the Gawain poet and the general reader alike Sir Gawain and the Green Knight Simon Armitage, 2013-07-08 The classic story that inspired the film starring Dev Patel and Alicia Vikander A medieval romance but also an outlandish ghost story a gripping morality tale and a weird thriller I couldn't put down Simon Armitage's compulsively readable energetic free flowing high spirited version Edward Hirsch New York Times Book Review One of the founding stories of English literature Sir Gawain and the Green Knight narrates the strange tale of a green knight on a green horse who rudely interrupts Camelot's Round Table festivities one Yuletide casting a pall of unease over the company and challenging one of their number to a wager The virtuous Gawain accepts and decapitates the intruder with his own axe Gushing blood the knight reclaims his head orders Gawain to seek him out a year hence and departs The following Yuletide Gawain dutifully sets forth His quest for the Green Knight involves a winter journey a seduction scene in a dreamlike castle a dire challenge answered and a drama of enigmatic reward disguised as psychic undoing Preserved on a single surviving manuscript dating from around 1400 composed by an anonymous master this Arthurian epic was rediscovered only two hundred years ago and published for the first time in 1839 Following in the tradition of Ted Hughes Marie Borroff and J R R Tolkien Simon Armitage one of England's leading poets has produced an inventive translation that resounds with both clarity and spirit His work presented here with facing original text and a note by Harvard scholar James Simpson is meticulously responsible to the sophistication of the original but succeeds equally in its ambition to be read as a totally new poem It is as if two poets six hundred years apart set out on a journey through the same mesmerizing landscapes acoustic physical and metaphorical to share in and double the pleasure of this enchanting classic Sir Gawain and the Green Knight Larry Dean Benson, Daniel Donoghue, 2012 Sir Gawain and the Green Knight is a late fourteenth century Middle English alliterative romance outlining an adventure of Sir Gawain a knight of King Arthur's Round Table In this poem Sir Gawain accepts a challenge from a mysterious green warrior In a struggle to uphold his oath along this quest Gawain demonstrates chivalry loyalty and honor This new verse translation of the most popular and enduring fourteenth century romance to survive to the present offers students an accessible way of approaching the literature of medieval England without losing the flavor of the original writing The language of Sir Gawain presents considerable problems to present day readers as it is written in the West Midlands dialect before English became standardized With a foreword by David Donoghue the close verse translation includes facing pages of the original fourteenth century text and its modern translation Medieval European Studies Series Volume 13 Sir Gawain and the Green Knight Gawain Poet, 2021-07-29 Featuring both the original text and a modern translated version this fourteenth century Arthurian poem tells the legendary tale of the mysterious Green Knight and Sir Gawain a great knight of the Round Table The knights of the Round Table are celebrating Yuletide when their festivities are interrupted by the mystifying Green Knight riding on his green horse The Green Knight challenges King Arthur's legendary

men to a wager He who takes a blow at the Green Knight must be prepared to accept a return attack one year and one day later It is the gallant Sir Gawain who takes this challenge on He raises his axe and strikes off the head of the Green Knight Yet the intruder is undefeated Still alive he picks up his head and promises he will see Sir Gawain in a year and a day In stanzas of alliterative verse ending in a rhyming bob and wheel the poem chronicles Sir Gawain's heroic quest This high quality edition features both William Allan Neilson's 1917 translated text and the original version by the anonymous writer known as the Pearl Poet or the Gawain Poet Ragged Hand has proudly republished this classic poem in a beautiful new edition complete with an introduction by K G T Webster This volume is not to be missed by fans of the famous legend of King Arthur and his Knights of the Round Table

Translation Theory and Practice A Historical Reader responds to the need for a collection of primary texts on translation in the English tradition from the earliest times to the present day Based on an exhaustive survey of the wealth of available materials the Reader demonstrates throughout the link between theory and practice with excerpts not only of significant theoretical writings but of actual translations as well as excerpts on translation from letters interviews autobiographies and fiction The collection is intended as a teaching tool but also as an encyclopaedia for the use of translators and writers on translation It presents the full panoply of approaches to translation without necessarily judging between them but showing clearly what is to be gained or lost in each case Translations of key texts such as the Bible and the Homeric epic are traced through the ages with the same passages excerpted making it possible for readers to construct their own map of the evolution of translation and to evaluate in their historical contexts the variety of approaches The passages in question are also accompanied by ad verbum versions to facilitate comparison The bibliographies are likewise comprehensive The editors have drawn on the expertise of leading scholars in the field including the late James S Holmes Louis Kelly Jonathan Wilcox Jane Stevenson David Hopkins and many others In addition significant non English texts such as Martin Luther's Circular Letter on Translation which may be said to have inaugurated the Reformation are included helping to set the English tradition in a wider context Related items such as the introductions to their work by Tudor and Jacobean translators or the work of women translators from the sixteenth to eighteenth centuries have been brought together in collages marking particularly important moments or developments in the history of translation This comprehensive reader provides an invaluable and illuminating resource for scholars and students of translation and English literature as well as poets cultural historians and professional translators

A History of Arthurian Scholarship Norris J. Lacy, 2006 A survey of critical attention devoted to Arthurian matters This book offers the first comprehensive and analytical account of the development of Arthurian scholarship from the eighteenth century or earlier to the present day The chapters each written by an expert in the area under discussion present scholarly trends and evaluate major contributions to the study of the numerous different strands which make up the Arthurian material origins Grail studies editing and translation of Arthurian texts medieval and modern literatures in English and European

nature of the relationship between the Dreamer and the Maiden What is the significance of allusions to Ovidian love stories and the use of liturgical time in the poem How does avian symbolism like that of the central symbol of the pearl develop transform and add meaning throughout the dream vision What is the nature of God portrayed in the poem and how does the portrayal of the Maiden s intimate relationship to God her spiritual marriage to the Lamb connect to the poet s purpose in writing Noting that the poem is open to many interpretations Beal also considers folktale genre patterns in Pearl including those drawn from parable fable and fairy tale The conclusion considers Pearl in the light of modern psychological theories of grieving and trauma This book makes a compelling case for re reading Pearl and recognizing the poem s signifying power Given the ongoing possibility of new interpretations it will appeal to those who specialize in Pearl as well as scholars of Middle English Medieval Literature Genre Theory and Literature and Religion **Able Muse, Summer 2017 (No. 23 - print edition)** Emily Grosholz, Terese Coe, Frederick Wilbur, Catharine Savage Brosman, 2017-06-28 **Paranoia and Modernity** John C.
