Sir Gawain And The Green Knight Annotated Student Edition:

Representing Rape in Medieval and Early Modern Literature C. Rose, E. Robertson, 2016-04-30 In thirteen studies of representations of rape in Medieval and Early Modern literature by such authors as Chaucer Shakespeare and Spenser this volume argues that some form of sexual violence against women serves as a foundation of Western culture The volume has two purposes first to explore the resistance these pervasive representations generate and have generated for readers especially for the female reader and second to explore what these representations tell us about social formations governing the relationships between men and women More particularly Rose and Robertson are interested in how representations of rape manifest a given culture's understanding of the female subject in society **Hearst's International**, 1911 Literary Research and the Anglo-Saxon and Medieval Eras Dustin Booher, Kevin B. Gunn, 2020-02-20 Literary Research and the Anglo Saxon and Medieval Eras Strategies and Sources is a guide to scholarly research in the field of medieval English literature covering the period 450 CE to 1500 CE Graduate students and scholars researching this period face many challenges working in two distinct literary traditions comprehending multiple languages Old English Middle English Latin Anglo Norman and French knowing the manuscript tradition for a particular title and the research methodologies for discovering and locating primary sources in the print and digital realms and the awareness of the overlap and assimilation of literary themes with religious historical cultural and political perspectives The volume presents the best practices for building a foundation of sound scholarship practices in the field of medieval English literature This volume explores primary and secondary resources including general literary research guides types of library catalogs print and online bibliographies and indexes scholarly journals and series manuscripts archives and digital collections genres tools for understanding Old and Middle English such as dictionaries lexicons thesauri glosses etymologies palaeographies and text mining tools and Web resources The final chapter researches the shifting reputation of the poet Thomas Hoccleve Given the interdisciplinary nature of medieval studies an appendix of additional readings in art history music philosophy religion science social sciences and theater is provided The Signifying Power of Pearl Jane Beal, 2016-12-08 This book enhances our understanding of the exquisitely beautiful fourteenth century Middle English dream vision poem Pearl Situating the study in the contexts of medieval literary criticism and contemporary genre theory Beal argues that the poet intended Pearl to be read at four levels of meaning and in four corresponding genres literally an elegy spiritually an allegory morally a consolation and anagogically a revelation The book addresses cruxes and scholarly debates about the poem's genre and meaning including key questions that have been unresolved in Pearl studies for over a century What is the nature of the relationship between the Dreamer and the Maiden What is the significance of allusions to Ovidian love stories and the use of liturgical time in the poem How does avian symbolism like that of the central symbol of the pearl develop transform and add meaning throughout the dream vision What is the nature of God portrayed in the poem and how does the portrayal of the Maiden's intimate relationship to God her

spiritual marriage to the Lamb connect to the poet's purpose in writing. Noting that the poem is open to many interpretations, Beal also considers folktale genre patterns in Pearl, including those drawn from parable, fable, and fairy tale. The conclusion considers Pearl in the light of modern psychological theories of grieving and trauma. This book makes a compelling case for re-reading Pearl and recognizing the poem's signifying power. Given the ongoing possibility of new interpretations, it will appeal to those who specialize in Pearl as well as scholars of Middle English, Medieval Literature, Genre Theory, and Literature and Religion. **An Analysis of the Metrics of Sir Gawain and the Green Knight** Norbert Patrick Butler, 1930
