Situational Judgment Test Preparation Guide:

Situational Judgment Tests Jeff A. Weekley, Robert E. Ployhart, 2013-05-13 Situational Judgment Tests advances the science and practice of SJTs by promoting a theoretical framework providing an understanding of best practices and establishing a research agenda for years to come. Currently there is no other source that provides such a comprehensive treatment of situational judgment testing. Key features of this book include chapters rich with theoretical insights and future research possibilities, numerous implications for improving the practical applications of SJTs which include not only SJT development and scoring but also operational issues affecting test administration and interpretation, comprehensive summaries of published and unpublished SJT research, and chapters that address topics that are timely and current such as issues involving the international application of SJTs and technological considerations. This text is relevant for academics, practitioners, and students of human resource management, organizational behavior management, and industrial organizational psychology. This book is new in SIOP's Organizational Frontiers Series, publications of the Society of Industrial and Organizational Psychology.

Preparing for the SHRM-CP® Exam Charles Glover, Nancy A. Woolever, 2024-06-28 Effective exam prep starts with practicing the real thing. This updated official SHRM Certification workbook includes 70 practice items from previous SHRM CP exams to give candidates firsthand experience with the types of questions they'll face in the real exam. Each item includes feedback about correct responses. It also offers guidance about each item's difficulty level, indicators to help learners develop smart study and test-taking strategies, plus more emphasis on understanding and utilizing the SHRM Body of Applied Skills and Knowledge (SHRM BASK). An essential resource for SHRM CP candidates, this workbook bridges knowledge and exam readiness through practical, focused preparation to strengthen both content understanding and test-taking confidence.
