Thaddeus Whiskers and the Dragon H. L. Burke, Mikayla Rayne, Jennifer White, 2015-01-24 Thaddeus F Whiskers is a pampered palace pet a kitten enchanted to never become a cat Princess Clarice loves him for in the entire kingdom for there is no other kitten as cute or as clever He leads a life of cushions and cream until a wizard's gift results in his banishment Determined to make it back to the princess he loves he escapes into the wilderness where he discovers the lair of a dragon Grandiose the dragon doesn't care about anything besides himself He wants to be left alone with his treasure However there is something about Thaddeus that has him entranced He finds himself opening his home and his heart to the little cat Thaddeus is a small creature in a big world Between him and his beloved Princess stand conniving wizards would be step mothers and rampaging rats However when danger threatens both Clarice and Grandiose Thaddeus won't allow his size to get in the way of saving his friends **Secret of the Dragon's Wings** Derek Hart, 2019-02-16 Secret of the Dragon's Wing is the final installment in the adventures of Gavin Kane Emily Scott and Bunty Digby seventeen year olds who struggle with their daily lives in England during the pivotal year of 1945 The war in Europe is drawing to a close as the German military begins to collapse The Allies are closing in on Berlin and the Japanese have lost almost all of the land they conquered four years earlier The Cornish teenagers have repeatedly defeated the forces of evil but are faced with the last desperate gasp of sick and deranged minds within the collapsing fortress inside Nazi Germany **Secret of the Dragon's Breath** Derek Hart, 2007-12 Secret of the Dragon's Breath continues the adventures of Gavin Kane Emily Scott and Bunty Digby thirteen year olds who continue to struggle with their daily lives during the spring of 1941 While relatively safe on the north Cornish coast the teens are well aware that England is under constant threat as the Germans continue to bomb London and the surrounding industrial cities While these friends have learned to cope with air raid sirens and strict rationing they're soon faced with another sinister attempt to bring Britain to her knees Yet with the addition of several new characters the teenagers discover the true meaning of friendship from these unusual allies Secret of the Dragon's Breath also marks the return of that high spirited dragon Sir Thaddeus Osbert who not only breathes fire but also craves sugar Faced with danger and intrigue the teens call upon their dragon friend to help them battle the Nazis who are determined to win the war no matter what the cost With a terrible new force threatening their beloved England it's up to Gavin Bunty and Emily to seek out a magical solution When their favorite dragon unleashes yet another secret power you can be assured the outcome will not only be exciting but full of long lasting implications as well **Sea Dragon - Book Two of the Dragon Stone Trilogy** Debra McIntyre, 2005-10-12 The second installment of the Dragon Stone Trilogy **Kingdoms for Sale** Anita Sinclair, 2024-12-03 Auggie Freddy and Thaddeus live in a world where everything is real and make believe is unnecessary There are dragons fairies unicorns and elves roaming the countryside and villages too They live in the world of Aught The world is flat not round and along the border before reaching its jagged edge is a horrible place called the Land of the Unruly

A land without rules no kingdoms no one to lead and no one willing to follow Green ogres can be found guarding the borders of the Unruly where dragon eggs cursed by a witch's brew are incubated It is a place of continual darkness Away from the edges and deep into the interior is the Land of Endings A place where rolling hills green valleys deep forests and kingdoms fill the land This is where Auggie Freddy and Thaddeus live with their families Some say this is a place of make believe and fairy tales but for them it is simply home Come and join in the adventures of these young boys as they grow and learn life's lessons in the remarkable world of Aught

The Life and Times of Thaddeus Whiskers Marcia Franke, 2017-06-22 The Life and Times of Thaddeus Whiskers is a fantasy which takes place on a farm and in a protected area of woods at the edge of a national forest in central Kentucky USA It is the story where one discovers that humans and animals share closely related worlds The characters portray strengths frailties delights and challenges common to human beings As they face and deal with moral and emotional dilemmas they reveal truths about human traits without being overly pointed Each has a distinctive persona which recognizes the importance of the Creator friends and family in their lives The reader may find that it is easier to see the essential qualities of the human soul to believe in beauty goodness and virtue through the experiences of these whimsical personalities The world of the farm and Old Coffey Woods is a safe place to be and to learn about the realities of life and death The characters in this story are sincere and true to life with the goodness and tenderness that is alive somewhere in every one of us
