Committee on Standards and Privileges,2010 This report concerns the investigation into a complaint that for much of the period 2004 2006 Bill Wiggin the Member for North Hertfordshire made fixed monthly claims against his Parliamentary second homes allowance which were not justified The Commissioner for Parliamentary Standards identified the principal issue as being whether Mr Wiggin acted within the rules in claiming routinely 240 00 a month from his Additional Costs Allowance That amount was just 10 00 below the limit established at the time for claims not backed by invoices or receipts There was therefore little evidence of the costs Mr Wiggin actually incurred It was found that Mr Wiggin over claimed on his second home council tax bill for 2005 06 by 7 716 of which he was paid 285 because his overall claims for that year had reached the maximum allowed The designation of Mr Wiggin s London home as his main home was also considered The Committee on Standards and Privileges in conclusion recommended that Mr Wiggin apologise for wrongly designating his main home from 2004 2007 and that he repay the 285 he over claimed in respect of council tax in 2005 06 They also recommended that Mr Wiggin apologise for claiming from Parliamentary allowances costs that they concluded he did not actually incur and that he repay 4 009 representing half the sum he was paid in respect of telephone and communication costs and service and maintenance costs for his second home in financial years 2004 05 and 2005 06 **The Ford Dealers News** ,1926 *The Weekly Underwriter* ,1926 **Annual Report of the Internal Revenue Service National Taxpayer Advocate** United States. has failed him and thousands of others It shows how his treatment needs were ignored as well as his pleas unheeded resulting in his death and how they compare to today s findings still broken and still not fixed This book is an in depth detailed layout of the culture the practices the deliberate indifferences toward the mentally ill and how mentally ill persons are victimized and criminalized by political and criminal justice approaches and dynamics toward the seriously ill persons and how they must deal with the stigmas and discrimination of being a mentally ill person inside Arizona prisons Dynamics include sociopolitical ramifications for being incarcerated suicide watch culture adequate care and treatment security attitudes toward these special needs persons and much more Real case scenarios listed from the ACLU class action lawsuit that resembles or duplicates Tony s plight frustration and situations that ended his life This book illustrates shoddy death investigations marginalized attitudes about human values in prison and other cultural influences that dictate how prisons are run prisoners are mistreated and even some darkness on solitary confinement in the detention units and max custody facilities A real wakeup call for many who have family members in prison and others wanting to change prison conditions Included are the family s frustrations with an agency which boasts the best defense of keeping secrets behind closed doors and the struggle KPNX and Wendy Halloran went through to get the secret video All in all it is an in depth account of how a wrongful death leaves people devastated and asking the most frequent question why When you read this book you will see the root of causes After you read this book you will understand the agony and despair a mentally ill person endures when they are labeled ignored or ridiculed by the system that is supposedly protect them
