

Dear Mom,

My thoughts today turned to the numerous blessings that have come my way. Many of these blessings can be traced directly back to you. Since I can remember, you have always shown me what it means to be a person of honor and integrity. I saw how you put others first and made choices that would benefit the family as a whole. I often look back to my childhood for ideas and inspiration now that I have a family of my own. As I did, my kids now enjoy custom-made floppy hats during their pancake birthday breakfasts. In addition, I know I can call you for advice, and that makes me feel very secure in my role as a parent. Thank you, Mom. I know a lot of people say this, but I really do have the best mother in the world.

**Love you,
Your Daughter**
