

Thank You Poem for Colleagues

In the sea of endless tasks and time,
Your presence, like a gentle chime,
Offers solace when the hours are long,
Together, we stand unwavering and strong.

Like grains of sand in an hourglass vast,
Together we make the moments last,
A unified force, in challenges we wade,
With you by my side, I'm never afraid.

For all the times, both easy and tough,
For shared laughs and days that were rough,
Thank you, dear colleague, for all that you do,
The workplace is brighter, because of you.

The Meaning of Mariah Carey Mariah Carey, 2020-09-29 The Instant 1 New York Times Bestseller The global icon award winning singer songwriter producer actress mother daughter sister storyteller and artist finally tells the unfiltered story of her life in *The Meaning of Mariah Carey* It took me a lifetime to have the courage and the clarity to write my memoir I want to tell the story of the moments the ups and downs the triumphs and traumas the debacles and the dreams that contributed to the person I am today Though there have been countless stories about me throughout my career and very public personal life it's been impossible to communicate the complexities and depths of my experience in any single magazine article or a ten minute television interview And even then my words were

filtered through someone else's lens largely satisfying someone else's assignment to define me This book is composed of my memories my mishaps my struggles my survival and my songs Unfiltered I went deep into my childhood and gave the scared little girl inside of me a big voice I let the abandoned and ambitious adolescent have her say and the betrayed and triumphant woman I became tell her side Writing this memoir was incredibly hard humbling and healing My sincere hope is that you are moved to a new understanding not only about me but also about the resilience of the human spirit Love Mariah **Land**
