

Dear

Let me take this opportunity to thank you for your consideration in supporting the **Yakima Youth Soccer Association (YYSA)**. **YYSA** was established in 1983. The Club has a proud tradition of developing boys' and girls' soccer skills, as well as a long history of fielding competitive teams that enjoy success locally and regionally. Even more importantly, the Club has had a positive impact on the lives of Yakima area youth, their families, and the community.

This year, we are developing a sponsorship program that will allow YYSA to extend its strong traditions for years to come. Your contributions will be targeted to lower the growing costs of the Club's 1200+ players, enabling them to fully participate in Club training programs, Soccer League games, and local and regional tournaments. We will be using 60% of every dollar donated through this program to have a **direct benefit to the kids**. We offer financial assistance for families that can't afford to play. We help offset team cost. We provide uniforms, equipment and coaching. One of the most difficult problems facing soccer in the Yakima Valley is fields. So this year, we will be putting the remaining 40% towards developing a more permanent home at the old Ahtanum Youth park. We are excited for Perry Tech's growth and expansion, but know that it will come at the expense of our home fields. Chesterley Park is unavailable, so we want to give our community the opportunity to **give our kids a place to play.**

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses, families, and friends, and offering the opportunity to help by **becoming a team or club sponsor!** Please take a moment to review and select the sponsorship package that best fits your business and budget, sponsorship packages can be found at www.yysa.org under Sponsors.

Respectfully yours,

Scott Filkins, President

1950 he left age seventeen and has since become one of the world's most foremost commentators on the Middle East. In this revealing memoir Atwan recounts with humour and honesty his extraordinary journey. He depicts both the horror of camp massacres and the unexpected consequences of Britain's involvement in the region such as when a British paratrooper fell from the sky with his sizeable parachute and everyone in his mother's village got new silk trousers. Atwan shares his many extraordinary encounters including tea with Margaret Thatcher, a weekend with Osama bin Laden, intimate meetings with Yasser Arafat and the row between Colonel Gaddafi and the Shah of Iran that earned him his first journalistic break. But his is also a touching personal story, never more so than when he describes taking his British-born children to meet his family who still live in a camp surrounded by barbed wire.

The Word and Words Made Flesh, In this spiritual autobiography the author focuses on eight segments of the life and work of Jesus, their application to the ministerial vocation in the world today and the particular mission of the Presbyterian clergyman over the past seventy-five years. Devout in his faith and beliefs, the author maintains a unique perspective. I perceive my life as well as the lives of others in a rather different vein than does society in general, he says. I sense my life and the lives of others as God breathed life and lives coming from God. And in a sense the Word and words made flesh in each event. From his specialized viewpoint he reveals the role of God and ministry in his life, a life that in the end will span no more than the space of two of God's breaths.

In His Own Words Nelson Mandela, 2025-04-08. In spreading the message of freedom, equality and human dignity, Nelson Mandela helped transform not only his own nation but the entire world. Now his most important speeches are collected in a single volume. From the eve of his imprisonment to his release twenty-seven years later, from his acceptance of the Nobel Peace Prize to his election as South Africa's first black president, these speeches span some of the most pivotal moments of Mandela's life and his country's history. Arranged thematically and accompanied by tributes from leading world figures, Mandela's addresses memorably illustrate his lasting commitment to freedom and reconciliation, democracy and development, culture and diversity and international peace and well-being. The extraordinary power of this volume is in the moving words and intimate tone of Mandela himself, one of the most courageous and articulate men of our time.
