

Thank You Poems about

Volunteers

Heartbeats of Kindness

The silent beats, behind great deeds,
Unseen winds, in hopeful seeds,
In every gesture, in every smile,
The heart of kindness, mile by mile.

With no ask, they give their all,
Answering humanity's quiet call,
In shadows, yet they brightly shine,
Making crooked paths perfectly align.

Thank you, souls, so selflessly true,
For every task, big and small, you do.

The Changing Face of Volunteering in Hospice and Palliative Care Ros Scott, Steven Howlett, 2018-04-19 Volunteers have a long been involved in supporting the delivery of palliative care Indeed in some countries the range and quality of hospice and palliative care services depends on the involvement of volunteers Hospice and palliative care services and volunteering are changing As

society develops so too does volunteering Volunteers have growing expectations of organizations and increasingly seek roles that meet their needs and aspirations rather than fitting in with organizational approaches As hospice and palliative care services experience increasing and changing demands for their services due to aging populations with complex healthcare needs we need to recognize that volunteers have a vital role to play in supporting the delivery of services of the future The Changing Face of Volunteering in Hospice and Palliative Care explores the complex phenomenon that is volunteering in hospice and palliative care in different countries It considers how and why volunteering is changing through the contributions of authors from Western and Eastern Europe North America Australia Africa and India It reflects on the influence of culture and organisational contexts in addition to management approaches legislative and political influences highlighting factors that contribute to the success of volunteering Contributing to knowledge and understanding in the field of volunteering in hospice and palliative care internationally this book highlights the factors that contribute to the success of volunteering models allowing readers to see possibilities for change and find new ideas for innovative practice in their own setting

Restored to Earth Gretel Van Wieren, 2013-07-09 Ecological restoration integrates the science and art of repairing ecosystems damaged by human activities Despite relatively little attention from environmental ethicists restoration projects continue to gain significance drawing on citizen volunteers and large amounts of public funds providing an important model of responding to ecological crisis Projects range from the massive multi billion dollar Kissimmee River project restoring 25 000 acres of Everglades wetlands to the 30 million effort to restore selected wetlands in industrial Brownfield sites in Chicago s south side Lake Calumet area to the reintroduction of tall grass prairie ecosystems in various communities in the Midwest Restored to Earth provides the first comprehensive examination of the religious and ethical dimensions and significance of contemporary restoration practice an ethical framework that advances the field of environmental ethics in a more positive action oriented experience based direction Van Wieren brings together insights and examples from restoration ecology environmental ethics religious studies and conservation and Christian thought as well as her own personal experiences in ecological restoration to propose a new restoration ethic grounded in the concrete hands on experience of humans working as partners with the land

The High School Journal ,1938 **My Journey** Ramsis F. Ghaly MD FACS, 2020-03-16 My journey is documented in this two volume book numbers 14th and 15th of my series Christianity and the Human Brain My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words Son study all these books in my hand and I shall bless you and bless your patients Today 35 years later I continue to dedicate my life to my Lord my patients and the residents I mentor The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations There are many stories and reflections to share with you Lessons learned in various topics It is my honor to share with you my journey and my Joy The two volume books

contain 181 chapters distributed in twenty sections ten in each volume covering major highlights in my life journey In addition to deep reflections from my own life stories in faith and medicine topics include Jesus love patient care the human brain neurosurgery illness residents healthcare crises meditations and memories over four decades I hope you the reader to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me Blessed are those striving early on in their life to serve our Savior Jesus Christ to him is the glory for ever and ever Amen
