Telling your life testimonial is never easy especially when it involves so much tragedy pain struggle being tormented by demons as a child and hardship I guess the only way to break the barrier is to start from the beginning as far back as I could possibly remember even if it is in bits and pieces Most my life consisted of nothing but struggling survival multiple rapes pain and abuse from childhood to adulthood physical mental and emotional abuse A lot of what happened to me has never ever been told to anyone not even to my own children This book will give you chills But GOD Being raised in several different homes as a young child due to my father being in the military before finally getting settled with my father by the age of 5 yrs old and by then being raised by a step mother who I thought at that time was mean and cruel but today I love her and realize why she did the things she did to me which at that time I felt like Cinderella then I ran away from home at age 14 and then I went right into a 16 year abusive sham marriage this is where it began but where I ended up and how God delivered is the testimony This is a book that you will not want to put down from beginning to end My prayer is that through my brokenness and my deliverance that whoever reads this book will be healed and delivered
